

Deadline Nears for Medicare

WITH THE March 31 Medicare registration deadline fast approaching for persons over 65, Daly City Postmaster Vincent P. Murphy has announced that application blanks are available at all stations of the Daly City Post Office.

Federal officials say they have contacted approximately 18 million of the 19.1 million citizens who will be eligible for benefits, having reached their sixty-fifth birthday by next July 1.

The social security administration is making a concerted

effort to contact the remaining 3.1 million senior citizens.

According to Everett M. Eaton of the administration's San Francisco office, workers are conducting a canvass "on a door-to-door, block-to-block basis" in Daly City and South San Francisco, to make sure all eligible residents are aware of the program.

IN ADDITION, Eaton said, all Bay Area Social Security offices will be open all day Saturday, March 26, and will remain open until 9 p.m. Monday through

Thursday, March 23-31.

Anyone over 65, even those who have never held a Social Security card, may qualify for Medicare benefits. But registration must be completed by Thursday, March 31, to avoid loss of benefits.

The program goes into effect July 1.

At that time, said Sister Louise, administrator of Mary's Help Hospital in Daly City, "there will no doubt be an increase in the number of patients admitted to the hospital." This will be due at least in

part, she indicated, to the fact that many people are postponing treatment until Medicare coverage becomes effective.

As to Medicare's effects on Mary's Help, Sister Louise said, "The definite impact isn't going to be realized until July."

In addition, she said, "It will change to some extent our systems and procedures... of billing and payment."

MEDICARE WILL, Sister Louise added, "require close co-operation and working with the fiscal intermediary, utilizing the reimbursement formula affecting the charges." The details of the reimbursement formula, she said, "still leave much to be interpreted."

Mary's Help personnel will feel the effects of the Medicare program too, according to the administrator.

"Vacation schedules will have to be planned carefully," she stated, pointing to the expected influx of patients in July. And: "In-service training programs for all levels of personnel will be a must, due to the increased

Boundary Decision Held Over

JUHSD Will Choose Plan At Next Meet

Overcrowding Is Key Issue

By BERENICE PALMER

No final decision on school boundaries was reached by Jefferson Union High School District Trustees at a second public hearing Monday night.

A relatively subdued audience of over 250, at the Oceana High School cafeteria, accepted postponement by the board of its decision until next Monday night at a regular trustee meeting, location to be announced.

At that time, the board probably will choose one of three proposals to alleviate overcrowding at Westmoor.

A citizen's school attendance Boundary Committee report appeared least likely to be accepted, following overwhelming public disapproval at two previous meetings. Recommendations by Supt. Edward Morgan, as well as an "open enrollment policy" proposed by the board, and community ideas will be studied prior to a final policy adoption Monday night.

The present citizen's committee on boundaries was terminated with a motion of appreciation at last night's meeting and approval was given for the formation of a new committee in (Please See Page 2, Column 1)

News Book Is Available

A limited number of copies of "The World in 1965" book are now available at The Times.

The important publication is the second volume in the notable Associated Press book series rounding out news of the passing years.

The book provides 288 (Please See Page 2, Column 3)

Bus Survey Readied

PREPARING TO MAIL thousands of post cards to Daly City residents are Shelby Ross, central service supervisor for the city, and a temporary assistant, Mayor Francis Pacelli. Residents are asked to return the postage-paid cards with answers to transportation survey questions.

Charges Are Dropped In Traffic Case

Charges of involuntary manslaughter against a 15-year-old Daly City girl, involved in a traffic fatality, have been dropped as a result of a hearing in Juvenile Court.

The girl, Madelin Forcina of 80 Lakemont Drive, had been cited to Hillcrest Juvenile Home in the aftermath of a traffic accident that claimed the life of a 3-year-old Vicky Robbins of 91 Fleetwood Drive, Daly City.

The victim was crushed between a tree and a car driven by the Forcina girl when the car jumped a curb at 133 Northgate Avenue. The driver did not possess a learner's permit, police said.

At the hearing, held before Judge Frank Blum, authorities decided not to file formal charges.

Sgt. Matthew Murray of the Daly City Police Department said the consensus of the court was that because of no prior bad record on the part of the Forcina girl, no purpose would be served by pressing charges.

The decision of the court, he added, was in accordance with (Please See Page 2, Column 4)

D.C. Man Is Indicted

A Daly City man was indicted by the San Francisco Grand Jury Monday night for the murder of a San Francisco girl who had been found dead in her bathtub.

The suspect is Abraham Katz, 28, of 44 Second Avenue, an electrician. He was arrested at his home March 9, by two San Francisco inspectors, Lt. Richard Sims and Sgt. Matthew Murray of Daly City.

Investigators said Katz was a friend of the slain woman.

PACIFICA COUNCIL Open Areas Law To Be Voted Upon

A "green-belt" ordinance, which will provide areas of open space for recreation where there is high density housing, comes up for adoption at tonight's City Council meeting in Pacifica.

The ordinance, No. 366, described as "long overdue" by good planning advocates, requires developers to dedicate one acre of land for every 800 persons. In a two-acre minimum, this would provide a neighborhood recreation area, and where there is a ten-acre minimum, a community recreation area would be provided.

The Peninsula General Contractors and Builders' Association may present some opposition at the meeting.

Reopening of route location studies on the intersection of

Coast Highway and State Route 186 may be formally requested by councilmen in another agenda item. The Pacifica Highway Committee will offer their recommendation for a new design of the intersection, which, according to Kenneth Strom, committee chairman, "will save valuable beach frontage."

A recent letter from the Division of Highways indicates that the California Highway Commission may consider the revision if it is formally presented in a resolution by the Pacifica City Council. The highway commission fixes the location and general plan for freeways.

In other business, councilmen will consider an appeal from Frank Wright on the Planning Commission allowance for a 12- (Please See Page 2, Column 4)

JESD Plans Centennial Observance

'Most Stable,' Chairman Says

Jefferson Elementary School District trustees discussed preliminary plans for the district's forthcoming centennial at their regular meeting Monday night.

Board Chairman Thomas Noonan, emphasizing the historical aspects of the district's 100-year existence, said that the Jefferson district has, in terms of boundaries, been "the most stable of any district in California."

He suggested a check of historical documents, with an eye to awarding special honors for significant achievements.

"We might search out the oldest living graduate," Noonan suggested, tactfully adding that he hoped it wouldn't turn out to be a woman.

Dr. Vinton Stratton, assistant superintendent, told the board the centennial is being planned to encompass the regular public schools week observance, and will also include classroom demonstrations during regular teaching periods, open houses at each school, and displays at each school of teaching equipment and materials.

Also planned is a series of "Centennial Spring Concerts" at (Please See Page 2, Column 4)

S.S.F. City Council OK's Six Variances

The South San Francisco City Council gave its approval to six Planning Commission recommendations Monday night.

Councilmen approved use permits to allow reconstruction of a gas station by the Shell Oil Company, subject to architectural and landscaping approval; to permit an addition to a restaurant and bar at 713 Linden Avenue, subject to parking stipulations; and to allow erection by Lucky Stores of three signs at 3573 Callan Boulevard, also subject to conditions.

Variances were granted to (Please See Page 2, Column 7)

MIDNIGHT COLLISION Driver Held In Death of Cyclist

A Menlo Park housepainter was arrested on manslaughter charges last week after a young motorcyclist died after a mid-night collision on Brisbane's Boneyard Hill.

Dead is Daniel "Danny" Mendez, 17, 1224 Birch Street, South San Francisco, a former resident of San Mateo.

Charged by authorities with manslaughter is James Guy McCloskey, 919 Peggy Lane, Menlo Park, who admitted hitting the motorcyclist at 12:25 a.m., according to Brisbane Police Sgt. John Grillo.

There were two riders on the light motorcycle, driver Mendez,

and his brother-in-law, Earl Beauchamp, 20, of 1224 Birch Street, South San Francisco.

Mendez died en route to Peninsula Hospital, reports Sgt. Grillo, who revived the victim briefly by massaging his chest over the heart.

Beauchamp was treated for lacerations and contusions of his elbows, arms, head, back and for possible internal injuries and transferred to County General Hospital, where he is reported recovering satisfactorily.

McCloskey was booked at County Jail on the manslaughter charge at 5:25 a.m. and immediately released after posting \$1,100 bail. He is scheduled to appear in the Northern Judicial District Municipal Court at South San Francisco Monday for arraignment.

Sgt. Grillo said the collision occurred in the southbound slow lane of the Old Bayshore Highway, a half mile south of Geneva Avenue.

Mendez, with Beauchamp riding behind him on the 1964 model 80 cc. imported bike, was traveling at about 35 miles per hour, Beauchamp told police.

Suddenly he saw the two motorcyclists, hit the brakes, and attempted to swerve to the right he told police, but it was too late (Please See Page 2, Column 6)

Subdivision Is Approved In Pacifica

A proposed subdivision in Linda Mar, Rosita Terrace, consisting of 47 lots, received unanimous approval by planning commissioners in Pacifica last night.

A provision required a hiking and riding trail easement through the rear of 20 lots. This was considered an "interim solution." The trail, would go through the southern boundaries of the subdivision and would connect portions of an existing trail system.

Channelization of Pedro Creek was also required as a condition to approval by the planning commission.

Rezoning to allow a proposed motel to become a conforming use in Rockaway Beach was also approved by the commission, 6-0. Under the provisions of the present zoning ordinance, motels are not an allowed use in the district. Nick Gust, owner of two restaurants and another (Please See Page 2, Column 3)

District Defers Boundary Choice

(Continued From Page 1)
April. Interested citizens were asked to leave their names and addresses.

A teachers' "Human Relations

Committee" from the district also recommended the formation of a new committee with paid professional consultants to study both boundary problems and de facto segregation.

Kenneth Schneider, representing a citizens' committee against boundary changes urged adoption of the board's report for an open enrollment policy at Westmoor with voluntary attendance at Oceana, and the use of portable classrooms at Westmoor or overcrowding. His citizens' committee proposed three additional ideas: Purchase of additional land around Westmoor with permanent construction; campuses on an adjacent site if necessary; and a three-year junior high school. Reconsideration of the need for Serra-monte High School was also requested. Schneider said that his group also felt that the district should maintain more efficient communication with the community.

Albert Teglia, who served as chairman of the Citizens' Boundary Study Committee called Superintendent Morgan's report "practical" and said that it does not forget minority problems. He cautioned that action against de facto segregation is required by the state. Teglia spoke out strongly against portable classrooms because they "do not provide all the other necessary installations such as cafeterias, music rooms, libraries, etc."

He felt that the Boundary Study Committee provided an "honest and comprehensive answer" and advised taking advantage of Oceana until Serra-monte is open.

Robert Nissom, an art teacher at Westmoor, criticized the school board and the superintendent for their failure to "stand behind the boundary committee." He questioned the students' and parents' rejection of busing on the grounds of "loyalty to Westmoor" and described Westlake as having "masked intolerance."

Trustee James Cooper interrupted Nissom's comments at this point and asked that they be concluded as "not relevant" to the issue.

Permitted to continue, Nissom stated further that he did not feel pride for the "administration's acquiescence to community pressure. You should stand up for quality education and not succumb to a group of citizens, no matter how vocal. The community is buying status as in housing." He said that Berkeley was facing the problem of de facto segregation with more reality than here.

Finally—It Was Unstuck

(Continued From Page 1)
right turn was required. Lively blocked off traffic to permit a wide turn.

AT MARY'S HELP, a resident doctor took one look at the stuck finger and also suppressing a grin, announced there was nothing "medically" he could do.

Lively then radioed for help from the Daly City Fire Department. While firefighters were speeding to the scene, another resident doctor, A. M. Giovannini, came up with an idea.

Giovannini wound a length of string around the top of the finger and with a piece of thread tied to the string, pulled the string through the hole, and in the process, "corkscrewed" the finger out of the steering wheel.

As Patrolman Lively recalled later: "The last thing the kid wanted to do was cut up that steering wheel."

Driver Held In Death Of S.S.F. Youth

(Continued From Page 1)
late to avoid collision. McCloskey said.

Sgt. Grillo and Brisbane Police Officers Frank Scalise and Jim Cardona, agreed that McCloskey's car skid marks were 419 feet long. They were 270 feet long before the point of impact, the officers said, and continued 149 feet afterward, before shoving the motorcycle into a guard rail.

The motorcycle was wedged into the powerful car's grille-work, Beauchamp was thrown to the hood and then off to the side, after smashing the windshield. Mendez was thrown to the roadway, and reportedly suffered "terrible" head injuries and internal damage.

McCloskey told Sgt. Grillo he jumped from his car and ran to Mendez, finding him apparently strangling on his own blood. He began mouth-to-mouth resuscitation.

Three or four passersby telephoned reports of the accident, said Sgt. Grillo, and he was at the nightmarish scene within minutes.

"There appeared to be no pulse, and he was not breathing, so I began massaging his heart," said Sgt. Grillo. After 10 minutes, he became alive again and started breathing, and then the ambulance arrived and they took him into the ambulance to apply the resuscitator.

Mendez was pronounced dead when the ambulance reached Peninsula Hospital at 1 a.m.

Police said Mendez' motorcycle was totally demolished and that McCloskey's car suffered damage to its front bumper, grille, hood and top, in addition to the smashed windshield.

McCloskey seemed to be in shock from the tragedy, officers said, but they sought a blood alcohol test to determine whether he had been drinking.

Filing Heads For Deadline In Election

(Continued From Page 1)

James M. Cooper and Charles A. Hauser Jr.

Voters will elect one trustee each from the Bayside and Brisbane areas, three from the Jefferson area and two from the Laguna Salada area.

On the countywide election scene, these North County candidates returned their nomination papers during the past week: Judge Jose DeLarios, for re-election to the Northern Judicial Municipal Court; James Paul Green of Daly City, for assessor and Edward J. McGuire of San Bruno, for re-election as controller.

The trio joined Supervisor Jean Fassler of Pacifica on the list of those formally running. Mrs. Fassler had been the first to file—not only from the North County but from the entire county as well. She is seeking election to a supervisor's chair she had been appointed to after the death of supervisor-elect Joseph Verducci.

Other North County candidates who had taken out nomination papers but who had not filed them as of yesterday included Thomas F. Noonan of Daly City, for assessor; Joseph Lewkowicz of Daly City, for treasurer and Broadmoor Police Chief Ray Savage, for sheriff.

JESD Will Note 100th Birthday

each school with a chorus or glee club.

The board agreed that the possibility of dedicating the new John F. Kennedy School during the centennial observance should be looked into.

In another action concerning that school, trustees voted to give the district staff permission to advertise for bids for furniture and equipment for the new plant.

Trustees stipulated that payment shall not exceed the \$1,500 estimated cost of repairs.

Repairs of another kind came under discussion, with a recommendation from Barthuli that louvre-type windows at Vista Mar gradually be replaced with conventional windows.

Many of the louvre panes have been broken and replaced with wooden slats, Barthuli said, making for an unsightly appearance.

He said it would cost about \$200 apiece to change the windows.

Trustee George Perry noted that the louvre windows "are impractical in operation," and said "even when they're closed, they are an open window." The board approved Perry's motion to adopt a policy of replacing the windows with standard ones instead of trying to maintain the louvres.

Spectacular Blaze Razes Colma House

A spectacular but well-contained fire destroyed an aged, vacant house on Jewell Avenue in Colma last week.

Hundreds of passers-by in automobiles stopped to watch the blaze from El Camino Real, causing a major traffic jam.

No one was injured. The cause had not been determined as of this morning, nor had a damage estimate.

Firemen got first warning of the fire at 7:10 p.m. and had it under control within an hour.

The firemen confined the fire to the two-story, wood-frame dwelling that has not been lived in for years.

For a time, the blaze threatened to spread to neighboring, flower-growing firms, but fire officials contained it.

The house had been owned by the Lanza brothers of Colma, but had recently been sold to Arthur "Buzz" Haskins, a north county construction company owner.

The property had been used as a ranch years ago, but Haskins is presently doing grading work on it.

A Colma fire official said that "the building was so old, that it just went up like paper. We had offers of assistance from other fire departments but we did not need it."

motel in Rockaway, is the applicant.

An unusual request, re-instatement of agricultural zoning on two acres in Linda Mar, was unanimously approved for William Fritz. Fritz stated that he had bought his home and ground for the expressed purpose of keeping horses for his children's 4-H project.

Planning commissioners had recently placed a R-1 zoning on this parcel because they felt that the ultimate development would be single-family residential.

A reclassification request by Jerome G. Fields, for 70,000-square feet on the south side of Talbot Avenue to enable the building of four homes was continued until April 18.

Open Areas To Be Mulled

(Continued From Page 1)

unit motel in Rockaway Beach. Wright, who is running for City Council on a "good planning" policy, questions the use of 12 units and the parking situation resulting from motel construction.

Two objections to zoning classifications at Pedro Beach area will also be discussed at the meeting. Lawrence D. Wiechers, of 5200 Coast Highway, protests his zone classification to agricultural, stating that the ruling is "arbitrary." Peter T. LoBianco of 315 Shoreside, calls this same zoning a "gross injustice."

Both expressed their dissent in letters to the City Council.

Max Kurtz Elected Head Of Daly City Rotary Club

MAX KURTZ
New President

Max Kurtz, a lieutenant colonel with the Salvation Army's territorial headquarters in San Francisco, was elected president of the Daly City Rotary Club last week.

He succeeds John Wuerthner, president of Systematics Savings and Loan Association in Daly City.

The election was held at the club's annual organizational luncheon in the Friar Room of Serra Bowl.

Other officers elected were: Seymour Levey, vice president, of Skyline Toy and Variety Store; Dennis De Sousa, secretary, of the Westlake office of the California Automobile Association; and Joseph Arch, treasurer, city treasurer of Daly City.

Directors elected included Don Davis, manager of Penney's Department Store in the

D.C. Chamber Will Host 8 Students

The Daly City-Colma Chamber of Commerce will pay tribute to four outstanding students from Westmoor High School and four from Jefferson at a dinner at Joe's of Westlake on the night of April 21.

The students will be chosen on the basis of high scholastic standing and leadership qualities.

The students, their mothers and fathers, will be the guests of the chamber along with the principals of both high schools and their wives.

The Daly City City Council, the board of education and local businessmen will also attend the dinner.

Included on the committee which will choose the eight students are: Elio Fontana, Judge Francis Blum, Judge Charles Becker, Judge F. J. de Larios and Joseph Lewkowicz.

North County Deaths

DANIEL A. MENDEZ

Funeral services for Daniel A. Mendez, 17, 1224 Birch Avenue, South San Francisco, who died in a motorcycle-automobile collision in Brisbane, were held at 9 a.m. Tuesday from Nauman and Lincoln Chapel. Requiem Mass was celebrated at the Mater Dolorosa Catholic Church at 9:30 a.m. The rosary was recited Monday at 8 p.m. Interment was in Golden Gate Cemetery, San Bruno.

Survivors include his parents, Mr. and Mrs. Felix Mendez; two sisters, Mrs. Diana Brenamen, Millbrae, and Mrs. Linda Beauchamp, South San Francisco.

EMERY T. METCALF

Emery T. Metcalf, 45, a resident of Pearl Street, Moss Beach, died of a sudden heart attack in San Francisco while at work hanging cabinets.

He was employed as a carpenter by the S & E Cabinet Manufacturers of Belmont.

A native of Iowa, he lived on the Coastside for the past 10 years. He was the owner of the Lighthouse Tavern, Moss Beach, and a member of Carpenters Union Local 1408, Redwood City. Last May, the family's seven-year-old son was killed when struck by a car.

Survivors include Metcalf's wife, Mrs. Ruth P. Metcalf; three children, Kathy, 16; Randy, 14; and Rodney, 10; his father, Hugh Metcalf of Mt. Pleasant, Iowa; four brothers, Riley Metcalf of Lafayette; Fred of Concord; Walter of Pittsburgh; and Bill, of Moline, Ill.; a sister, Mrs. Ethel Harrington of Pittsburgh.

Funeral services were held at 10 a.m. on Friday, from Duira Chapel, Half Moon Bay. The Rev. David Lawrence of the Ocean View Baptist Church, Montara, officiated. Interment was in Golden Gate National Cemetery.

ARTHUR POWERS

Arthur (Bill) Powers, 58, of 527 Maitland Road, Pacifica, died March 13 at Sequoia Hospital, Redwood City, after an illness.

He was a retired grocer, a native of Everett, Mass., and a resident of San Mateo County for four years.

Survivors include his wife, Joan, and two sons, Roger, Pacifica, and William, San Francisco.

Funeral services were held Thursday from Nauman & Lincoln Chapel by the Sea. Interment was in Skylawn Memorial Park.

JOSEPH FERRARIO

Joseph Ferrario, 84, resident of 459 Commercial Avenue, South San Francisco, died Thursday at a Redwood City hospital after a long illness. He was a native of Italy, and a resident of South San Francisco 59 years.

He was a retired employee of the Western Pipe and Steel Company, and a lifetime member of the Salinas Druids.

Survivors include his wife, Rosa; two nephews, Robert and Angelo Ferrario, South San Francisco, and a niece, Antonietta, Italy.

Funeral services were held Monday from the Nauman and Lincoln Chapel at 9 a.m., with requiem mass at Mater Dolorosa Catholic Church at 9:30. The rosary was recited Sunday at 8 p.m. Entombment was at the Italian Cemetery.

ALFRED LeROY VANCE

Alfred LeRoy "Roy" Vance, 62, 953 Sixth Avenue, San Bruno, died last Thursday at County General Hospital after a long illness.

He was a native of Idaho, and a resident of this county 25 years. He was a cement finisher.

Survivors include his wife, Lucille; a son, Leonard L. Vance, Fremont; two stepdaughters, Mrs. Wava Clark, San Mateo, and Mrs. Wilma Swendsen, Oak Ridge, Ore.; three brothers, Wallace, Raymond, and Frank Vance, all of San Francisco; six grandchildren, and four great-grandchildren.

Funeral services were held Monday at 10 a.m. at the San Bruno Funeral Home chapel, with interment at Olivet Memorial Park.

DAISY LADD

Mrs. Daisy Lucy Ladd, 63, 658 Pepper Drive, San Bruno, died at her home after an illness. She was a native of San Francisco, and a resident of this county for six years.

Survivors include a daughter, Mrs. Daie M. Sheehan, San Bruno; her son, Harland P. Shersey, U.S. Air Force, Tokyo; two sisters, Mrs. Lorena Coffey and Mrs. Alice Martinez, San Francisco; three brothers, William Hawley, Mountain View, Arthur Hawley, San Jose, and Joseph Hawley, San Francisco, and four grandchildren.

The rosary was recited at 8 o'clock at San Bruno Funeral Home. A requiem mass was celebrated Friday at 9 a.m. at St. Robert's Catholic Church. Interment was in Golden Gate National Cemetery.

GERALD CLEVENGER

Services for Gerald Clevenger, San Bruno newspaper manager, who died Tuesday, were held from El Camino Funeral Chapel, San Bruno.

Clevenger, 42, was a native of Oregon, and was a resident of the Peninsula for 13 years.

He is survived by his wife, Fay, and two sons, Richard and Norman; his parents, Mr. and Mrs. Ray Clevenger, Hood River, and two brothers, Earl, Portland, and Glenn, Parkdale, Ore.

Interment was at Woodlawn Memorial Park, Colma.

MARIETTA BIRDSONG

Mrs. Marietta Birdsong, 46, 43 Franklin Avenue, South San Francisco, died at Peninsula Hospital after a long illness.

Survivors include a son, Larry.

SUNGLASSES STOLEN

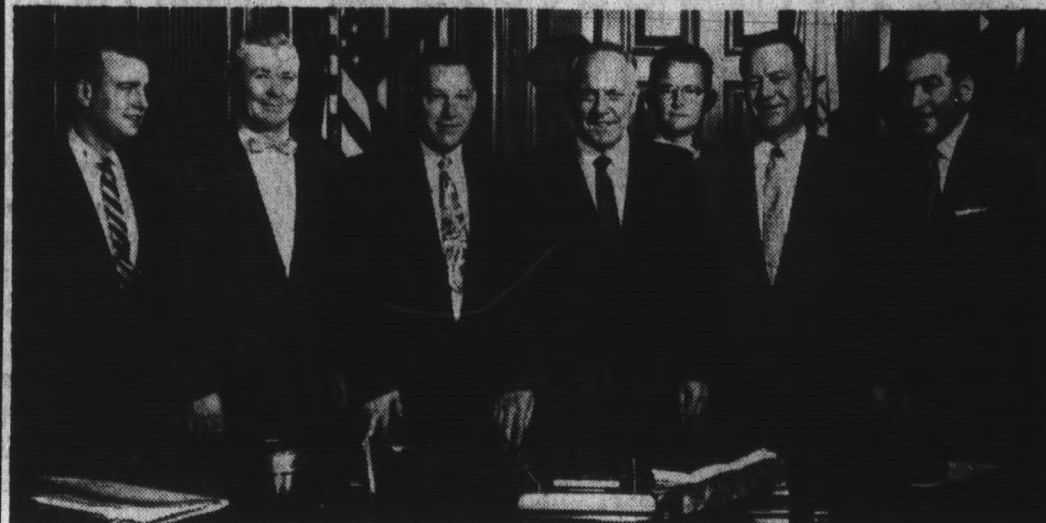

Seymour Iklar of 15 Westdale Avenue, Daly City, reported to police last week that a pair of subscription sunglasses had been stolen from his auto, parked in front of his home.

QUARTERS TAKEN

Donald W. Stritch of 21 Westdale Avenue, Daly City, reported to police last week that \$2 in quarters and a pair of sunglasses had been stolen from his car.

NOW IT CAN BE TOLD...

THE SIGNALS AT SKYLINE STORY...

Frank Haggerty, WSIA President Casimir J. Norton, Councilman Del Wilson, Governor Goodwin J. Knight, Andrew Belfice, Chairman Edward Murphy, William Silver.

Dear Councilman Wilson:

I wish to express my sincere appreciation, as well as the committee and the Westlake Improvement Association, for convincing Governor Knight of the hazard that now exists on Westmoor Skyline and Westridge Skyline. Our promise to the people of Westlake to fight and get the needed protection for their children at these dangerous intersections has now been fulfilled.

We hope that you will continue to attend our meetings, as you are always welcome.

Please know, that your efforts are greatly appreciated.

COMMENT

Crucial Fair Board Choice

AT THE END of this month San Mateo County's famed annual Fair and Floral Fiesta will be in the precarious position of operating without a man at the top to plan and direct its big 1966 show. The resignation of veteran general manager William Wilson will become effective on March 31 and a man to occupy the new post of executive director must be quickly chosen.

This new post has been created in the long overdue reorganization of the fair and its activities. It is urgent that the job be filled as speedily as possible. In only a few months the fair will be opening its gates for the 1966 season and the time for a new executive director to take over is already perilously short. No time lag can be afforded.

THERE IS nothing impossible about obtaining a competent executive director on what amounts to short notice. Private industry performs such chores almost daily with a high degree of efficiency. There is no reason why a public body, such as the County Fair Board—with the assistance of the county personnel director—cannot do as well.

What is required is prompt and decisive action; including a "crash" recruitment of suitable candidates if this proves necessary. This should not be difficult. The job pays \$18,000 a year and there must be many executives with the requisite experience who could qualify.

THE REORGANIZED County Fair Board is confronted with its first really big task in securing an executive director who can lead the whole fair to a newer and fresher exposition of San Mateo County's wonderful natural, commercial, industrial, agricultural and cultural assets. He also needs to be capable of gaining fullest and most effective use of the immensely valuable fairgrounds and buildings on a year-round basis so that there is no waste of these publicly owned facilities.

THE WHOLE county will be watching to see how the fair board carries out this assignment.

All Clouds Alike

FLYING BY jet these days, unless one has a window seat, one isn't likely to see much of what's going on outside the aircraft. In fact, even if one has a seat by the window, there's not much to see anyway at 30,000-feet plus, other than the tops of clouds—and when you've seen one of these you've seen them all.

Which raises a question that is receiving the consideration of air carriers and aircraft designers. Why bother with windows at all? Cabins have to be pressurized and a cabin without windows would be safer (as well as cheaper to construct) than one broken all along its length by cutouts for windows.

THE TREND toward no windows has already begun. The windows on the new Concord supersonic airliner will be only 9 inches by 7 inches. Little will be seen out of them, particularly at the height at which the Concord will fly.

The inability to gaze out of the window removes one activity that air passengers can indulge in. And this leads to a broader question—what to do with passengers, or how to keep them happy, on relatively long flights.

PERHAPS air passengers of the future will be prepackaged and premedicated, so that they will get on the aircraft, remain immovable and comatose during the flight, and wake up just in time to get off.

The Marquee

'Greasepaint' Is a Smash

Barbara Bladen

ON A WONDERFUL DAY LIKE TODAY "The Roar of Greasepaint, the Smell of the Crowd," is playing at the Circle Star Theatre.

In the successful cross-country trek from Broadway to San Carlos, (please notice they've bypassed San Francisco), the only thing noticeably omitted from the original show is Anthony Newley's presence. With him, it would have been too exciting for curdles. Without him, the show is a thoroughly delightful curiosity.

Cyril Ritchard is marvelous. At first, it seems a showcase for his whimsical styling as a pompous snob, a glutton, a bully, a bigot and a selfish boomer. Of course, that's what the character Sir is. But he's also representative of the Establishment; he makes his own rules for the game of life and is always allowed to win.

So there is a lot more to the musical than meets the eye at first sight. The music speaks for itself. There is lots and lots of it, all good. There's little more than a one-two-three beat between songs.

The book will perplex some people. No need. It's all explained in the souvenir program about it being a sort of Laurel and Hardy set to music. Sir (Ritchard) is the aggressor and Cocky (Joel Grey) is a symbol of the downtrodden masses. The latter is the Littlechap of Newley's "Stop the World, I Want to Get Off," who never gets an even break, can't win even if he tries, but continues to play the game because it's his lot in life. The rewards are food, love, recognition and an occasional luxury.

It's not a complex story, but it is tricky. Behind all those irreverent and saucy asides to the audience (some of which haven't been heard since the President Follies left the show business scene or before Newley left the British music halls), are some sharp comments on contemporary society.

Joel Grey, who's doing the Newley role, is a highly accomplished performer. He's a tiny person who's doubly dwarfed in scenes with Richard Kiel, a seven foot plus actor who does a yellow mop wig and ludicrous chiffon skirt to lure Cocky in woman's disguise.

Franklin D. Roosevelt School

FRANKLIN D. ROOSEVELT SCHOOL was completed in 1963. The architect for the Jefferson Elementary School District unit was Angus McSweeney. This past September the school added 13 more classrooms to the structure to bring the enrollment to today's total of 390 students. Frederick Schweickhardt has been the principal at the school since its inception. The school has grades from kindergarten through sixth.

Better Business

Contact Lenses Investigated

Lorene Beasley

A SURVEY conducted by a committee of the American Association of Ophthalmology was published in a current Journal of the American Medical Association. "The popularity of contact lenses," the report said, "has exceeded the public knowledge of potential hazards associated with their use."

Because of unrealistic and oftentimes downright misleading advertising, the Federal Trade Commission has required the national advertisers and manufacturers of contacts to tone down their claims.

All persons cannot successfully wear contact lenses contrary to much attractive media presentation.

There are very few people who do not experience some degree of discomfort while becoming accustomed to wearing lenses. In some cases this discomfort is very painful and prolonged.

The committee found that complications associated with contact lenses are more frequent among older people and those who have had previous eye injuries or disease. Other complications arise from prolonged wearing or sleeping with the con-

tact lenses. No person should wear contact lenses for prolonged periods of time before becoming fully adjusted to them.

Contact lenses do not replace eyeglasses for all purposes for all people. Some advertisers have gone so far as to lead the purchaser into believing he will be able to discard other eyeglasses completely. Many people must continue to wear their regular eyeglasses for substantial periods of time.

ANOTHER SELLING point has been the money-saving element. As in eyeglasses, contact lenses must be changed with vision changes and cannot be worn for indefinite periods of time as claimed by some advertisers.

It is true that plastic glasses do not shatter or break as easily as the ordinary eyeglasses and do afford more protection to the eye, especially in physical sports, but these lenses will break if stepped on or exposed to some other direct force.

It has also been represented that certain contact lenses will not slide or slip out of place or become dislodged.

It is not true that a contact lens cannot slip out of place accidentally.

In the survey conducted by the Ophthalmology Association questionnaires were mailed out to 8,181 ophthalmologists. A total of 1,904 returned answers concerning 49,954 patients.

This survey showed that 14 eyes had been blinded or had to be removed and 157 other eyes were permanently damaged within the one year.

Fungus infection was the cause in four of the eye loss cases and infection by bacteria or unidentified organisms was the cause of the remainder. In one case a young child was found to be allergic to the solution the lenses were kept in.

THE REPORT also said there were 7,607 eye changes from which patients recovered without permanent defects among the 49,954 persons examined.

Some advertisers of contact lenses claim comparative superiority. Such representations should be scrutinized with great care. Comparative pricing and special savings claims are often unrealistic and misleading.

Pacific Parade

A Fountain For Civic Center?

Don Miller

IT MIGHT BE said that a beautiful public building without a beautiful fountain is like a park without trees. You expect to see the two together.

Well, sir, over there where they're building Daly City's new Civic Center, a building that just about everybody agrees will be an architectural dazzler, there ISN'T going to be a fountain. At least, present plans don't call for one.

But that all may be changed, fountain lovers, because we have a couple of gentlemen in Daly City who think major public buildings should be graced with the sight and sound of falling water.

One of the gentlemen is Augie Conci, Daly City's parks superintendent, who long has had a keen eye for esthetics when it comes to brightening up the city with a bit of greenery here and there.

Conci noticed there wasn't any provision for an outdoor fountain in the plans for the Civic Center and wondered about this out loud to Daly City Engineer Arthur Reschke.

Now Reschke is the other gentleman. And he just happens to like fountains, he told us the other day, and Conci's suggestion that perhaps gushing water at the Civic Center might be a fine idea fell upon the right ears.

Reschke promptly wondered out loud about a fountain to architect Zaven Tatarian of the architectural firm that has designed the Civic Center. Only Reschke did more than wonder. He asked Tatarian to come up with an idea.

As Reschke sees it, the Civic Center would be a natural for a fountain because of plans already calling for extensive landscaping around the building. The fountain could be neatly placed in the landscaped area.

At this stage of the fountain follies, the whole business hasn't gone any farther than the city's engineering department. A change in Civic Center plans would have to be approved by councilmen.

We haven't sounded out the city fathers on fountains and esthetics and such but we hope they'll look kindly on the whole business. For there's something about a beautifully designed fountain and the sound of water that acts as kind of a damper on the tensions of our busy society. And we need more dampers.

WHILE WE'RE on the subject of the Civic Center, it appears that Daly City is going to come up with quite a building, if you listen to architect Tatarian talk about it for a while.

We asked him how the center will compare with San Jose's striking municipal home, also designed by the same architectural firm, and Tatarian said flatly that the center will be "superior." Since San Jose's complex has been widely acclaimed, "superior" speaks well for the Civic Center.

Tatarian explained that Daly City will have a finer building both from an esthetic and a functional standpoint. For example, the interior of the building is designed for a maximum of flexibility. Partitions will be easily moved to provide either more space or a realignment of the given space as needs require.

Construction at this point doesn't look like much, Tatarian said, but in about six to eight months, the building concept should be clearly evident to sidewalk superintendents. From what we've seen of sketches of the end result, six to eight months won't come soon enough.

★ ★ ★

MAYBE IT'S JUST our imagination, and maybe it's not, but some recent meetings of the Jefferson Elementary School District board of trustees have gotten down, it seems to us, to almost a picayune stage.

We'll be the first to uphold and commend prudent questioning on the part of any trustee but from some of the discussions we've heard lately around the board table, it would appear that the forest is not being seen because of the trees.

The trustees recently decided to resume a practice of holding study sessions during the week before each regularly scheduled business meeting. The idea was to eliminate some of the long discussions at the regular meetings by thrashing out controversial or complicated matters at the study sessions.

If the first study session, held March 9, is any indication, the idea behind it has yet to be realized. For at last week's regular board meeting, trustees spent more than a half-hour wrangling over the merits of buying a car fully equipped versus buying a stripped-down version.

The identically same arguments had been voiced pro and con, at the board's previous meeting—for almost the same length of time. So where does the study session come in?

Perhaps the answer is that nobody's attending the study sessions. Attendance at the two held to date has included only trustees George Perry and Joseph Lewkowitz. Under a guideline outlined by Board President Thomas Noonan, no board member is required to attend the sessions.

★ ★ ★

OOPS DEPARTMENT! Last week we attributed a discussion on industrial parks before the Daly City-Colma Chamber of Commerce to Councilman Bud Lycett. The speaker, in fact, was David Friedenber.

Lycett just happens to be running for election to the Council, somebody pointed out to us with a wry grin, but we'll happily disclaim any connection and blame the whole thing on scrambled notes.

The Book Shelf

Those Wild Teen Dances

Samuel Chandler

"YOU CAN smell a crazy, hard driving recklessness in the air" Jim Delehant wrote in a column called Tempo that he writes for Hit Parade magazine. "The kids want to feel wilder when they dance, and the soulful feeling you get in the guts seems more meaningful now."

How far dancing has moved away from what it was when Whittier called it the magic of motion. Today it is a narcotic. Beauty and grace are subverted to shuffling and wiggling. The pleasure that Milton sensed in seeing a youth and a maid dancing in chequer'd shade has been replaced by that sick feeling in the guts that Mr. Delehant describes.

It is reminiscent of a stanza from Alfred Noyes poem "A Victory Dance."

"Fat wet bodies go waddling by,
Girdled with satin, though God knows why;
Gripped by satyrs in white and black,
With a fat wet hand on a fat wet back."

Yet there is some hope that a change will come soon. One can see it in the work of Beatles. For all their crazy haircuts and their nutty fans, they are producing some songs that have a hint of beauty.

★ ★ ★

ONE OF these is a piece, that the kids I know, call a pop ballad, called "Yesterday." John Lennon wrote it, and Paul McCartney sang it, while the other Beatles were out on

a break. Hit parader says it moves by sheer beauty and simplicity. Paul, the Beatle, says he likes it because he is tired of songs that get crummier and crummier.

This song is part of a movement known as folk rock. Included are folk blues, folk ballads and folk jazz. The faint hope that this type holds for a return to melodies and saner music, however, is now beset by protest music.

★ ★ ★

ANTI-WAR songs, for example, which sound like they oozed out of a can of C rations left over from World War II are sung by creepy characters who protest for fun and principle. This so marks them with hypocrisy that, they should and will be shunned by serious minded people.

In the meantime, it is time for young epople to realize that the truth printed in an editorial in a recent copy of Hit Parade—"all forms of music should have a much wider range . . . There's a goldmine in your record store—Use it. This week buy a Beethoven album. Next week—Andy Williams—then Charlie Parker or the Beatles or Muddy Waters or Bach or Ravi Shankar. Really, there are only two kinds of music—bad and good."

★ ★ ★

LET ME add at the same time, learn to dance something—the waltz and the fox trot may prove to be as much fun, as the jerk and the swim—try them.

Lake Merced Tranquility

THIS SCENE at Lake Merced in San Francisco will be duplicated many times this spring as North County boating and fishing enthusiasts flock to the lake to indulge in water sports. Lake Merced is a favorite spot for North County residents year in and year out.

Sugar... 'n' Spice

By NELL NORTON

HOW OFTEN do you bake a cake from scratch? Frequently? Sometimes? Never? I hope you don't fall into the last category, for if you do you are missing out on a lot of pleasure in baking. Actually baking a cake from the beginning isn't that hard and there are so many different and tasty cakes to be made that you really should give it a try.

Today I'm going to give two different recipes, one old and one completely new to me. The new one came to me from Mrs. Phyllis Cecchetti, who lives at 1943-44th Ave., in San Francisco, and I agree with her that it's different and delicious.

PUMPKIN CAKE

1/2 cup shortening
1 cup brown sugar
1/2 cup white sugar
1 egg
3/4 cup pumpkin
2 cups flour
1/2 teaspoon salt
3 teaspoons baking powder
1/2 teaspoon each, nutmeg, cinnamon, ginger
2-3 cup chopped walnuts
1/2 cup sour milk or butter milk (scant)
1/4 teaspoon soda

Cream shortening and add brown sugar (which you pack down firmly in the cup to measure) and white sugar. Cream this mixture well.

Beat the egg and add it to the pumpkin. Combine with the creamed mixture and blend well.

Measure and sift together the flour, salt, baking powder, cinnamon, nutmeg and ginger. Add the chopped nuts.

Mix the baking soda into the sour milk and add to the creamed mixture alternately with the sifted dry ingredients and nuts.

Mix well and pour into a greased and lightly floured loaf pan, approximately 10x5x3 inches. Bake in a moderate oven 350-degrees for 45 to 50 minutes.

I MADE two of these cakes and one I frosted with whipped cream and served it at dinner. The other was frosted with a plain butter frosting, vanilla added, and used it for lunches. Both were equally delicious.

BEFORE I GO on to the next recipe I want to talk a little about the importance of measuring your ingredients carefully. The reason exact measurements are given is because the recipe is worked out to these quantities. When using measuring spoons always level off the top of the spoon. With flour, spoon it into the measuring cup, don't shake it down. When using sugar do the same, except brown sugar, which should be packed down firmly into the cup to measure.

When measuring liquids, place the cup on the table and pour in liquid.

This applesauce cake recipe is old and mighty good. We printed this recipe in December of last year but unfortunately an ingredient was missing. Needless to say this was corrected in the next issue, but sometimes corrections don't catch up with mistakes. I met a friend recently and she said she was going to make the cake but didn't know what the missing item was—so here it is complete and so good that I know you will love it.

APPLESAUCE CAKE

2 cups sifted cake flour
1 1/2 cups sugar
1 1/2 teaspoons soda
2 Tablespoons cocoa
1 1/2 teaspoons salt
1/2 teaspoon each, cinnamon, nutmeg, cloves and allspice
1/2 cup shortening
1 1/2 cups unsweetened applesauce
2 eggs unbeaten
1 1/2 cups raisins, chopped
3/4 cup chopped nuts

TOPPING

1/4 cup chopped nuts
2 Tablespoons sugar

Sift together flour, sugar, soda, salt, cocoa, cinnamon, nutmeg, cloves and allspice. Add shortening and applesauce, beat two mites at medium speed in mixer (or 200 strokes by hand). Scrape bowl and beaters.

Add eggs, beat two minutes at medium speed. Add nuts and raisins and blend thoroughly. Pour into generously greased and floured tube pan. Sprinkle topping over batter. Bake in 350-degree oven for one hour and 20 to 25 minutes.

Lake Tahoe Honeymoon Site for N. County Couple

After a honeymoon at Lake Tahoe, Mr. and Mrs. Quentin L. Barnes (Patricia E. Tilson) will make their first home in Panama.

The couple exchanged marriage vows at the Community Methodist Church of San Bruno recently. A reception followed in the social hall of the church.

Patricia is the daughter of Mr. and Mrs. Willis S. Tilson. Her husband is the stepson of Melvin C. Sutton.

For the 3 p.m. ceremony, Patricia wore a floor-length gown of lace and satin featuring a scalloped neckline. Her fingertip veil was secured by a crown of pearls.

Mrs. Phyllis Marie Hechim, the matron of honor, wore a red brocade stree tlength gown for hier sister's wedding. In similar attire were the bridesmaids, Mrs. Bonnie J. Walton and Terrie J. Horton.

James Kreuzer fulfilled the best man duties as Michael Wirgler and John A. Hechim. Patricia is an alumna of Capuchino High School and

the College of San Mateo. Her husband was graduated from South San Francisco High School and attended the College of San Mateo. He is presently an Airman First Class with the Air Force.

Knights' Council To Choose Pair

The West of Twin Peaks Council, Knights of Columbus, San Francisco, will hold a special election April 21, to elect two delegates to represent the council at the state convention at Palm Springs, May 19-21.

The deputy grand knight of the Council, William Upp of 7 Lake Forest Drive, Daly City, is expected to be ore of those chosen.

WATERPROOF SHOES

Weather, water and wear-proof shoes in a variety of smooth and grained leathers are the result of the introduction of new chemicals in the tanning process. To remove stains caused by salt, mud or water, a fast wipe with a cloth is all that's required.

A SUBSTITUTE

When a baking recipe calls for sour cream, you may use commercial buttermilk.

Crocker-Pershing Unit Sets Sale

The Crocker-Pershing P-TA will hold a rummage sale from noon to 6 p.m. Saturday in the multi-use room of the Crocker School.

Chairmen for the event will be Mrs. Millie Pederson and Mrs. Andrew Ynesrtioza.

Joanne Ehat Married To Phillip Leyes

Joanne Marie Ehat became the bride of Charles Phillip Leyes at Our Lady of Mount Carmel Church in Carmel Valley.

Raphael Ehat of 851 Larchmont Drive, Colma, escorted his daughter down the aisle for the ceremony. Joanne wore a pale yellow wool suit and white accessories.

Mrs. Donald Briemle, in a dark green suit, served as the matron of honor.

Charles, who is the son of Mr. and Mrs. George Leyes of Belmont, asked Paul Young to be his best man.

The newlyweds will live in San Francisco. Joanne was graduated from Marin Catholic High School and San Francisco State College. Her husband is a graduate of the University of San Francisco.

Cal Poly Students Married

Marriage vows were exchanged by Patricia Carmel Slevin and Glenn Louis Mantoani at St. James Church.

They both attend Cal Poly in San Luis Obispo.

The bride, who is the daughter of Mr. and Mrs. Edward M. Slevin of San Francisco, selected a floor-length gown of white satin with a detachable train and fingertip veil. Her bouquet contained orchids, stephanotis and lilies of the valley.

Janet Baker, as maid of honor, wore a yellow linen floor-length gown trimmed with a gold bow. In similar attire were the bridesmaids, Judith Andersen and Gloria Merline. Joanne Slevin was the flower girl. All carried yellow chrysanthemums.

Glenn is the son of Mr. and Mrs. Louis Mantoani of Half Moon Bay. Kenneth Mantoani fulfilled the best man duties for his brother as Michael Fox and Stephen Moore ushered.

Mrs. Slevin, in the family pew, wore a three-piece pink silk suit. A pale pink hat and pink accessories completed her outfit. Glenn's mother selected a two-piece aquamarine lace suit with matching accessories.

The newlyweds received guests at the Forest Lodge in San Francisco before departing for a honeymoon northward. Patricia selected a

Pushups for Fitness

DEMONSTRATING a difficult and exerting form of push-up, Daly City Recreation Department instructor Thaina Brown shows women in her physical fitness class how it's done. The class meets every Tuesday and Thursday morning from 10 to 12.

Watching their industrious teacher are, from left to right: Eunice Brabec, Diane McMenomy, Mae Paichaud, Stella Filarski, Vera Counts, Ethel Harris and Marilou Foster.

Women's Guild Presents Its Annual Fashion Show

will present their annual Sew and Show Fashion Show on Friday April 15 at 8 p.m. in the parish hall.

Chairman Mrs. Joseph Yohanan and her co-chairmen, Mrs. Albert Collett and Mrs. Frank Noonan, have planned a show that promises to catch the eye and interest of everyone attending.

The women of the Guild who are participating in the fashion show have done all the sewing themselves and will model their own creations.

Red Cross Names New Press Aide

The American National Red Cross has appointed Mrs. Margaret Livingston as public information representative for San Mateo County. She will represent the San Mateo, Sequoia and Coastside regions of the agency.

Mrs. Livingston, who has several years of newspaper and publicity experience, is replacing Mrs. Maybelle Mitchell in this position. Mrs. Mitchell is now producing a television show for Channel 14, the College of San Mateo station.

She lives in Burlingame.

Library Friends Collect Books

The Friends of the Daly City Library are collecting books for their annual Book Fair which will be held at the Westlake Shopping Center on April 16.

Refreshments will be served during the show. The donation will be \$1.50. For reservations contact Mrs. Collett, 342 El Dorado Drive, Daly City.

Better Halves To Hold Game Night

The Better Halves Auxiliary of the City of Hope will sponsor a "Play Your Game Nite" at 8:30 tonight, in the American Savings and Loan Association, at Nineteenth Avenue at Noriega Street in San Francisco.

Bridge, Mah-Jong, Bingo and other games will be played.

A Correction

A photo caption in last week's Post-Times incorrectly identified Mrs. Angelo Figon of 14 Parkwood Drive, Daly City, as the recipient of a life membership award from the Westlake School P-TA.

The recipient was Jes Parks, principal of the school who was shown in the photo helping Mrs. Figon cut a P-TA Founder's Day cake.

Louanne's Datebook

By LOUANNE HEATH

MRS. MEL BOCCI, retiring chairman of the North Peninsula Circle for the Florence Crittenton Home, was the guest of honor at a luncheon party Monday, held in the Cypress Hill Golf Club.

Members of the Circle surprised Mel with the presentation of a token of appreciation for her fine efforts during the past months, according to Mrs. Doris Plant who is now serving her second tour of duty as publicity chairman for the group.

Preparing to ascend to executive positions for the upcoming term are Mrs. Jerry Stringer, chairman elect, and her officers, Mrs. Eugene Crandall, vice chairman; Mrs. Richard Seconi, recording secretary; Mrs. Charles Poggio, corresponding secretary and Mrs. Robert O'Neil, treasurer.

THE LATIN WOMEN of California are busily preparing to greet Mrs. Edmund G. Brown who will be the guest of honor at a tea to be given by the group in the Canterbury Hotel on April 19.

Mrs. Bette Garcia, reservations chairman, reports that the deadline for reservations will be April 15 and committee members are urging an early guest registration. Persons wishing to attend may make the proper arrangements by calling Mrs. Garcia, 334-6894.

MRS. DORIS SEITZ has named Mrs. Dena Martyn, Mrs. Stella Smith, Mrs. May Scott, Mrs. Margaret Kerns, Mrs. Marilyn Curran, Mrs. Genevieve Pretti, and Mrs. Rosemary Rushka to the Holy Angels Women's Guild nominating committee.

The ladies have been charged with selecting a slate of nominees for the coming term and making the report of their selections.

Mrs. Joseph Yohanan, Mrs. Albert Collett and Mrs. Frank Noonan are the co-chairwomen of the parish's Sew and Show on April 15 at 8 p.m.

Reservations costing \$1.50, may be arranged by calling Mrs. Collett, 992-5180.

ROY TIERNEY was the guest of honor at a St. Patrick's Day Chinese Birthday party given him by his wife this past week.

Mrs. Tierney provided all the guests with chopsticks and delicate Chinese china for the repast. For an additional light touch the hostess served specially prepared fortune cookies with comic horoscopes from a collection she has developed over the years. Special fortune for her hubby, "May the Prince of Prosperity Pause in your palace periodically."

Guests who joined in the fun were Mr. and Mrs. Albert Theis, Mr. and Mrs. Peter Moreci, Mr. and Mrs. Toby Willareal, son Tim Tierney and his bride Carole, Mr. and Mrs. Glen Robinson, Tierney's sister, Marie, Mr. and Mrs. Gerard Rhine and Mrs. Arthur Pearce.

PLANS FOR members of the San Francisco Alumnae Chapter of the Alpha Iota International Business Sorority to hold a meeting and decorations workshop in the home of Mrs. Blanche Whitehill, have been cancelled as a result of Mrs. Whitehill's illness.

Instead of the regular monthly gathering members will hold workshops in their neighborhoods to complete the centerpieces prior to the Northern District meeting of the sorority's Pacifica Western Association to be held in San Francisco on April 24.

Sorority members in this area will be gathering in the Westlake apartment of Yvonne Burk next Tuesday, according to publicity chairman, Mrs. Janice McCraney.

PLANS CONTINUE to go well for the Spring Festival for the benefit of the Sisters of the Holy Infant Jesus building fund, according to Mrs. Ann Murphy, publicity chairwoman.

A large candy manufacturer has donated all the candy the Legion of Mary Society wishes for the booth its members will be manning and Lee and Larry Caserza, owners of the Monterey Florists, are donating transplantable blooming garden plants and two potted plants to be sold in the same booth.

Mrs. Julia Padreddi is calling for donations of handmade items which the Italian Federation will then make available for sale during the festival. Anyone seeking information or wishing to contribute should call Mrs. Padreddi, PL 5-4474.

ARMOND OLIVERIES and his bride, Helen, have returned from a Nevada wedding and brief honeymoon and are currently being feted by numerous friends and organizations.

DR. PETER A. RATTO, the son of Mr. and Mrs. Bartolomeo Ratto of Daly City, and Sofia Duda of Syracuse, N.Y., were married in Rome, N.Y., late last month.

Dr. Ratto, who now makes his home in New York state where he is working with Bristol Laboratories, graduated from Jefferson High School prior to attending the University of California. He is the brother of another localite, Mrs. Louis Caserza.

The Papal Blessing was bestowed on the couple by the Rev. Bernard F. Walsh, following the nuptial Mass.

DIRECTOR OF the Daly City Community Chorus Patti Stolz was the featured girl singer at the Domino Club's Pent House in San Francisco on March 11 as a result of a recommendation to the management by Ronnie Kemper.

Allie Lorraine, the usual club songstress, was bitten by the flu bug and Kemper, who has seen Patti perform on many occasions, put in the SOS to our lady of song who complied by doing the casual date.

DR. ROE H. JOHNSTON has issued a letter of thanks to the people of Daly City and Pacifica who have, during the past year, sent money to Lakeside Presbyterian Church to help support the fund which lights the cross atop Mt. Davidson nightly. The officers of the church sent the city of San Francisco the money to continuing the lighting for another year this past week.

6 Daly City Women Aid Thespians

Six Daly City women are members of an amateur theater group that performs before handicapped children at schools and institutions in the Bay Area.

The group, known as the Council Amateur Theatre Service, is a community welfare project of the San Francisco Section, National Council of Jewish Women.

The service has been in operation for the past five years. The Daly City women are:

Mrs. Reuben E. Gilbert, chairman; Mrs. Albert Meister, choreographer and belletrina; Mrs. Louis Goodstein, Mrs. Samuel Greiff, Mrs. Max Berenstein and Mrs. Sam Cohen.

Members of the group produce and enact plays, make costumes, scenery and props and travel to schools once a week to present the plays.

Admission is charged only at two annual public performances, held at Giannini Junior High School in San Francisco.

Moneys received from these performances are used to defray production and traveling costs.

The first of this year's two performances will be a musical production, "A Moon for the Princess." It will be given at 2 p.m. April 6 and 7, at the junior high school.

Ursuline Guild To Elect Its Officers

St. John's Ursuline High School Guild will hold its meeting April 13 at 8 at the high school.

Election of new officers for the coming school year will be held.

Wedding Bells

MR. AND MRS. WAYNE FURR have made Daly City their new home, following their marriage in Holy Trinity Church in San Francisco last month. The bride is the former Carol L. Sciaroni. The couple honeymooned in Hawaii.

P-TA Events

Rivera Gives School Nurse To Two Awards Discuss Program

At its last meeting the Fernando Rivera P-TA and Mrs. Iola McKeown, principal, presented two honorary life memberships to Mrs. James So, P-TA president, and Mrs. Herbert Lunders, secretary.

Mrs. Lunders attended City College, belongs to Kappa Phi Sorority, has been a Girl Scout leader for three years, active in P-TA for six years, and has worked with "Operation Santa Claus," and in the Recreation Center for the Handicapped.

She is the mother of three children, Nancy, Janice, and Michael. Her husband is an electrical engineer with the Pacific Gas and Electric Company.

Mrs. So attended Mills College. She has been active in Cub Scouts and has been president of the Fernando Rivera P-TA for two years. She has four children, Phyllis, Janice, Vivian and Gary. Her husband is a clinical laboratory technologist.

'Bottle Drive' Is Planned By Edison

The Thomas Edison School P-TA will hold a "bottle drive" from 10 a.m. to 1 p.m. Saturday at the school.

Two more collection dates are planned: April 23 and May 28.

For more information on the drive interested parties may call Mrs. Gloria Baldocchi at 756-7435.

Couple to Wed

PATRICIA WADE AND ANTHONY DIGIORNO (Staggs Photo)

The engagement of Patricia J. Wade and Anthony A. Digiorno was announced at the San Mateo home of the future bridegroom. Patricia is the daughter of Mr. and Mrs. Henry C. Wade of 150 Parkview Drive, San Bruno.

Anthony is the son of Mr. and Mrs. Tony Digiorno and is the grandson of Mr. and Mrs. Amedeo Digiorno and Mrs. Mary Castro. He is the brother of Jeanette McDaniel.

Patricia, who is the sister of Charles C. Wade, attended Capuchino High School. Her future husband is an alumnus

of Hillsdale High School and San Jose State College.

The couple will be married at St. Gregory's Church on June 18.

Women's Faculty Club to Welcome Japanese Couple

The Women's Faculty Club of San Francisco State College, will honor the president of Kyoto University in Japan and his wife, at a tea, in the p.m. today.

The president's wife will speak on "The Meaning of Education and the Establishment of the Kyoto University of Foreign Studies." Mrs. Mitsuko Duerr will act as interpreter.

Professor Yashuki Okamoto and lecturer Takamara Hata are accompanying the university couple, and will answer questions.

The university aides are guiding 26 Japanese students from the university on a tour of the western United States and Mexico City.

This is the university's second annual visit to San Francisco State College.

The students will visit classes on campus to observe teaching methods and course content. They will be housed in area homes for three nights to gain an insight into the American way of life.

City of Hope To Sponsor a Lunch

The Golden Torch chapter of City of Hope will sponsor a box and bagel brunch on Sunday at 11:30 a.m. at the Lake Merced house.

Among the plans for the day will be a Dutch auction run by Reuben Pinkus, vice president of the chapter.

A large assortment of new merchandise will be auctioned off followed by games.

Riordan Annual Breakfast Slated

The fathers and sons of Riordan High School will gather Sunday to celebrate the annual Fathers and Sons Mass and Communion-Breakfast.

Mass will be offered at 8:30 a.m. in the school auditorium, and breakfast will be served in Chaminade Hall.

The breakfast speaker will be John J. Ferdon, district attorney of the city and county of San Francisco.

The breakfast will be prepared and served by the mothers of the Riordan Guild.

The breakfast is \$1.25 per person and reservations and information may be obtained from Mrs. Claud Bratun, 755-9756.

There's more to enjoy on the MACKAY FAMILY PLAN

Only Mackay Homes, one of the country's most experienced home builders, could design a plan with so many superb features for every member of the family. For mother, there's a modern, all-electric kitchen that's planned for efficiency as well as beauty... a gracious, formal dining room with elegant wall-to-wall slate or tile flooring. For father, there's a spacious, secluded living room, with a massive floor-to-ceiling fireplace to relax by... a king-sized, two-car garage with an abundance of work room and storage area. For the children, there's a romping room-a-plenty, inside and out, with a family room that offers access to the patio area and a country-size yard that's their own private playground.

This plan is also available with three spacious bedrooms and is offered with any one of seven beautiful exterior designs. Tour The Woodlands today and see for yourself why an award-winning Mackay plan is best for your family.

'Pinafore' to Sail

PLAYING key roles in the Benjamin Franklin School production of Gilbert and Sullivan's "H.M.S. Pinafore" are John Walsh, left portraying the OLD Admiral; Peter Hoover, the captain and Laura Rippon, Buttercup. The operetta will be presented Tuesday evening at the school.

Ben Franklin Students Will Offer Operetta Production

The drama department of Benjamin Franklin Junior High School, will present a performance of the well-known Gilbert and Sullivan operetta, "H.M.S. Pinafore," at 8 p.m., Tuesday, in the multi-use room of the school.

Playing two of the lead roles will be John Walsh, as the operetta's elderly admiral, and Peter Hoover, captain of the ship.

The roles of the lovers, Ralph and Josephine, will be double

cast. Ralph, the sailor, will be portrayed by James Musslewhite and Richard Hartman and Josephine, will be portrayed by Barbara Wasserman and Dianne Wagner.

Laura will be cast as Buttercup, the wharf woman, and Greg Adams will enact the role of the villain, Dick Dead-Eye. Cecelia Pelicon, eighth grade drama teacher, will direct the operetta. Carl Hunter, will be in charge of music.

Terra Nova Topics

DURING MONDAY, Tuesday and Wednesday of last week an accrediting committee composed of five distinguished California educators visited the campus, its faculty and students for an evaluation of the school as part of the last stage of a study to renew accreditation.

This was a followup to an earlier self-evaluation of T. N. during the first semester which involved the entire school—administration, faculty, other school employees, and students.

Accreditation enables T.N. graduates to enter many colleges without entrance exams. It can be granted for as many as five years, after which another is conducted. The anxiously awaited results will be announced some time in May.

LAST FRIDAY night was "One Enchanted Evening" for couples dressed in their finery at the TN Junior Prom.

NORMA MACARTHUR and Ray Baxter have been chosen to represent Terra Nova in the annual NCTE (National Council of Teachers of English) competition, a nationwide contest among high school juniors which evaluates their abilities in all aspects of English.

TERRA NOVA'S two drama classes, taught by David Campbell, recently produced a four-day drama festival. The performances were taken from the work the classes have been doing this year and included pantomime, monologues, group scenes, and improvisation.

The classes are currently hard at work doing one-act plays in small groups with student directors.

S.S.F. Pack Gives Awards

Cub Pack 79 of South San Francisco celebrated its Blue and Gold dinner at Avalon School.

After the cub scouts and their parents, plus an assortment of

brothers and sisters finished dinner, Al Seibert, Cubmaster, handed out awards to the following cubs:

Peter Rossi, Allan Rosborough, John Ryzanych, and Thomas Aquire.

Seibert then thanked Ed Seickamp, last year's Webelo chairman for his work with the boys. The following mothers received acknowledgement for their past six months as den mothers: Alice Martin, Dorothy Hansen, Jean Fassler and Betty Seibert.

Announcement was made of the following coming activities: Thursday, next pack meeting; Sunday, father and son kite flying event and a trip to Chinatown.

Availability of another room at Oddstad Hall for recreation was also discussed. The city manager has informed the Recreation Commission that until the bunker site is available in 15 to 18 months, civil defense equipment will have to continue being stored at Oddstad.

The Writers' Workshop, a 10-year-old Pacifica group, was approved for sponsorship by the Park, Beach and Recreation Commission at its meeting Wednesday evening. Nathaniel Marks is instructor of the group.

Usage of the new community room at the Sharp Park Library, was also studied by the commission. A Cultural Room Committee is in charge of promoting activities.

Mrs. Frances Power, representing Pacificans for Human Concern, discussed plans for use of the room in a community education program sponsored by the College of San Mateo in the fall.

A meeting will be held with

S.S.F. Opens Continuation High School

The first continuation high school in San Mateo County has quietly been put into operation in South San Francisco Unified School District.

Using a bungalow on the district's former Magnolia School property at 616 Baden Avenue, the school opened February 10 with a six-person staff.

There are 37 students, reports Principal Vincent Gallo, attending classes either mornings or afternoons for three hours daily, or four hours on Saturday.

"The Saturday classes are for those youngsters who are working a full 40-hour week," he said.

Unique at the school, because it is in a Unified District, are classes for seventh and eighth graders.

Such classes would not be required in other high school districts in the county, as they do not include youngsters of less than high-school age.

South San Francisco's program is set up to meet the needs of those who have jobs, those who have problems with the school, and those who are "educationally handicapped."

Programmed teaching procedures are used, so that each student may move along at his own pace, and so courses can be tailored to individual needs.

"The keynote is flexibility," said Gallo.

Flexibility is reflected in the abilities of the school's teachers.

Richard Castleberry, for instance, handles history, government, science, and math, as a full-time staffer.

The other full-time man is James Cruze, teacher and counselor.

Judith Kline is a part-time teacher handling business and commercial courses, English, and language arts.

Another part-time teacher is Wendie Shoemaker, who teaches the seventh and eighth grade youngsters in a special "core" arrangement, and in a classroom separate from the older students.

With Principal Gallo and teacher aide Myra Paulsen, these make up the staff.

The student body is made up of youngsters who have been out of school for more than 10 days, who have language difficulties that make it impossible for them to get ahead in regular classes, or who are adjudged more likely to profit from the special instruction available at the school.

And profit they do, according to Cruze.

"Parents tell me on the phone, 'This is the first time Johnny has ever looked forward to going to school.' It is a pleasure for me to have the privilege of assisting in establishing this new school."

Snow Trip Is Readied

Three buses full of junior high school youngsters will join the Daly City Recreation Department's annual "snow trip" to Pinercrest, Saturday, March 26. Planned for the trip are contests, toboggan races and other snow activities.

Teen club advisors and parent chaperones will supervise the trip.

The horse was man's fastest means of transportation until the invention of the locomotive. When Napoleon was in a hurry to get to a battlefield, the fastest mode of travel was still on horseback.

The Players

PRINCIPAL players in the Westmoor High School production of "Finian's Rainbow" opening tomorrow, are, from left, George Estacio (Finian); Cathy Jones (Sharon); Randy Bloom (Leprechaun), and John Spencer (Woody). The curtain will go up on the musical in the school's Little Theatre at 8 p.m.

Westmoor Students Ready 'Finian's Rainbow' Musical

Without a song the road would never end, and without its music, "Finian's Rainbow" would not be complete.

Although definitely a theatrical feat, this year's student play at Westmoor High School, which opens tomorrow at the school's Little Theatre at 8 p.m., offers much on the musical plane.

Unlike past musicals at Westmoor, this year's presentation features music students rather than those within the drama classes.

Lead female part, Sharon, will be portrayed by Cathy Jones; Woody, the lead male part, will be played by John Spencer.

Principal supporting roles include: Randy Bloom as the leprechaun; George Estacio as Finian; Jason Katz as the sheriff; Craig Castro as Senator Billboard Rawkins; and Larry Mechler as Rawkins' right-hand man.

Sue Walsh will play Susan the Silent, a character who is mute throughout the play and speaks only through dancing.

Connie and Carol Crider, new Westmoor students from Mission High School, are dancers. Marshall Brown will play Henry.

Also featured in the musical are the four sharecroppers, or, as they are often called, the "tobacco girls." They are Linda Tucker, Brenda Wells, Jan Weinberg and Michelle Gene-

reux. They sing a song called "Necessity." The chorus, too, plays a role in the play. The 36-member troupe is the first Westmoor chorus to sing in harmony. In past years the chorus sang in melody.

Accompanying the singers and dancers, is the orchestra which plays music originally created by Barton Lane. Consisting of many flute players, the 12-piece orchestra is the largest the school has had for a play of this type.

All of the students are under the direction of Robin Jackson, drama teacher; Howard Loeffler, music teacher; and Marsha Wilson, a Westmoor graduate now attending College of San Mateo. Miss Wilson has offered her services as choreographer for the play.

Barkey Named To UCSB Post

Former College of San Mateo basketball coach Ralph Barkey has been named head basketball coach at the University of California at Santa Barbara, it was announced last week.

Barkey coached at CSM and compiled a 36-21 record in two seasons.

He last coached at CSM in 1962.

Capuchino Students Attend Asilomar Food Conference

Capuchino juniors Denise Robin and Dennana Herman were delegates representing San Mateo County at the statewide conference at Asilomar on "Food Comes First for Youth Power" last weekend.

Each delegate had to prepare a project or make a survey in the field of food nutrition, eating habits, or food careers. The home economics students

teamed their efforts by conducting several experiments on the chemical reaction on cooked foods.

"The Food Comes First" program supports the contention that American teen-agers are overfed and undernourished.

Winners of the statewide contest will represent California at the National Youth-Power Congress in Chicago next month.

France is building a 2,460-foot dam to harness the tides of the Rance River estuary. The tides, which average 28 feet of rise and fall, will produce enough electricity for 125,000 French homes by 1967.

Divine Services

AND CHURCH ACTIVITIES OF DALY CITY, COLMA, PACIFICA AND SOUTH SAN FRANCISCO

THE KARLSTAD FAMILY Singers, above, will make a concert appearance at 11 a.m. Sunday at the Westlake Lutheran Church in Daly City. The group is originally from Tacoma, Wash., but now makes its home in San Leandro.

Karlstad Singers Set For Westlake Lutheran Church

The Karlstad Family Singers, one of the West Coast's most famous religious singing units, will perform for the congregation of the Westlake Lutheran Church at 11 a.m. Sunday in Daly City at the church at 222 Avalon Drive.

The singers are in their sixth year as a concert group and have recently completed a tour of the country.

They have appeared in Portland, Eugene, Sacramento, Los Angeles, Phoenix, Tucson, San Antonio, Austin, Houston, New Orleans, Biloxi, Clearwater, Miami, Jacksonville, Charlotte, Washington, D.C., New York.

Sisterhood Sells Foods

Orders are now being accepted for Passover foods available from the Sisterhood of Congregation B'nai Israel, at their templehouse, 1575 Annie Street, Colma.

A complete line of foods necessary for holiday preparations is for sale and Mrs. Gary Kroner, chairman, announces that all orders will receive prompt attention.

Delivery can be arranged or your selection can be made at the templehouse on Tuesday and Thursday between 4 and 6 p.m. or on Sunday from 10 to 12:30 p.m.

Mrs. Kroner can be reached at PL 5-8926 or PL 5-3042 for orders. All profits will aid the Sunday School.

Bethel Church Holds Baby Fete

Cradle Roll Day was held at Bethel Church of Pacifica.

The theme of the event was "Gathering Flowers for the Master's Bouquet."

At that time each baby, aged from birth to two years, and their parents were honored and presented to the church.

Lutherans To Hold Service

Our Redeemer's Lutheran Church in South San Francisco will hold a special worship service on Good Friday (April 8) at 1 p.m.

The service will commemorate the crucifixion of Christ on Calvary.

Special music will be provided by the Carol Choir and the Vikings' Choir.

Church Slates Sermon Topic

"The Sign of the Fish" will be the sermon topic at the 11 a.m. service Sunday at the Peninsula Church of Christ in Colma.

Lutherans To Hear a Talk About Death

Rev. George S. Johnson, pastor of Bethlehem Lutheran Church in Fairmont of Pacifica, will preach on "Death for the Christian" at both 9 and 11 a.m. Sunday.

This sermon will conclude a series of five under the theme "Great Days in Everyone's Life."

Pastor Johnson will direct his thoughts toward the importance of preparing for one's death and funeral. He plans to point up some of the pagan practices that many Christians are still using in planning funerals for their loved ones.

Also on Sunday there will be a reception of new members by adult confirmation and letter of transfer. This will take place at the 11 a.m. service.

A family potluck is being planned for this Sunday evening at 5:30 p.m. Mrs. James Richards is in charge.

Baptist To Attend Meet

Friday evening, men from the 25 Northern California Baptist churches of the Baptist General Conference will meet at the Mission Spring Conference grounds in the Santa Cruz Mountains for their annual Men's Brotherhood Retreat.

The meeting will continue through Saturday.

Men from the Westside Baptist Church in San Bruno who will attend include: James Pollock, Alton Swedberg, James Besser, Moses Hernandez, Lester Carlson, Roy King and Pastor David Donnelly.

'Cancer Sunday' Slated By N. County Church Leaders

This Sunday has been announced as "Cancer Sunday" by the San Mateo County branch of the American Cancer Society.

North County congregations will help provide a spiritual prelude to the April Cancer Crusade.

Prayers, led by the various pastors and priests of the community, will provide the spiritual prelude to next month's annual Cancer Crusade.

In honor of the nationwide Cancer Sunday observance, a special text has been written by Rev. Edwin E. Steward of the Northern Baptist Theological Seminary.

In some churches Cancer Sabbath will be observed on Saturday, April 2. Churches in Daly City observing Cancer Sunday will be: Broadmoor Church of the Nazarene, St. Martin's Episcopal Church, Wesley Methodist Church, Westlake Community Baptist Church, Westlake Lutheran Church, First Baptist Church of Daly City, Grace Chapel, Holy Angels Church, Hope Lutheran Church, Our Lady of Perpetual Help, Our Lady of Mercy Church, Congregation B'nai Israel of the United Synagogue.

Birthdays will be held at Friday evening services at 8:15 at Congregation B'nai Israel.

All children whose birthday fell in the month of March will be blessed by Rabbi Solomon Shore that evening. They are: Bonny Dobrow, Mark Friedman, Ena Kröner, Michael Levinson, Glenn Sennett, and Ronald Snyder.

Birthdays will be served at Oneg Shabbath which follows the service and hostess for the evening will be Mrs. Gerald Fox and Mrs. Bernard LaPedit.

VANDALISM REPORTED
Officials of Allendale Construction Company of Hayward reported to Daly City police last week that vandals had broken two doors and a number of light bulbs in buildings under construction at Hoffman and Sylvan Streets.

CHP to Add Men in County

Seventy highway patrolmen who listed distribution of the 70 will be added to four counties in the Bay Area, for service on U.S. 101, in connection with the patrol's "Operation 500" accident prevention program.

This information was released by Supervising Inspector D. J. O'Connell, zone III commander, who listed distribution of the 70 patrolmen, as follows: 13 to Marin County; 12 to San Francisco; 25 to San Mateo County, and 20 to Santa Clara County.

Another 80 traffic officers will be added to the same four counties in early May, all but 25 being assigned to U.S. 101.

March 10, 1966

Dear Fellow Citizens:

The past year has been one of many accomplishments, the meeting of goals and continuation of Daly City's outstanding growth. This report has been designed to inform you of the programs and projects of your City.

Particular emphasis in any city characterized by rapid growth must necessarily be placed on permanent capital facilities and improvements. The 1965 report reflects your community's investment in such things as buildings, streets, parks, and the municipal water system.

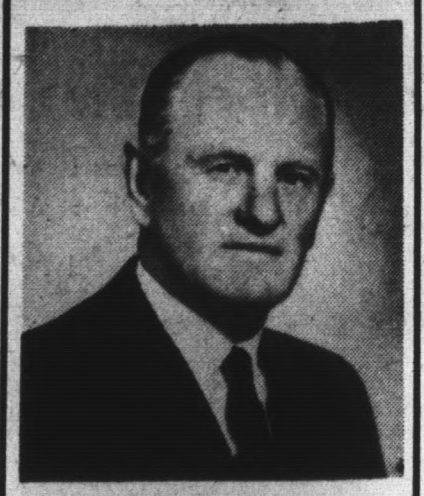

The enviable position of Daly City, particularly in financial matters has been the result of the pay-as-you-go policy of your City and its determination to avoid debt financing. You will notice the minimal amount of long term debt as shown on the financial statement. This does not, of course, mean that all our problems have been solved. Each accomplishment opens the door to still greater challenges for our community.

Your evaluations and comments are invited, for it is through your interest and participation that we have guidance in meeting the City's needs.

Sincerely,
Francis P. Pacelli

LAND AREA 6.7 SQ. MILES

ASSESSED VALUATION
\$107,943,850

CITY TAX RATE-\$1.17

ORGANIZATIONAL STRUCTURE

BEHIND THE SCENE ACTIVITIES REFLECT CITY GROWTH

FINANCE

During 1965, the Finance Department "burst the seams" of its cramped quarters, necessitating rental of additional office space across the street from the City Hall. The department maintains accounting systems for all City activities, thus the workload increases as municipal programs expand.

During 1965, the Finance Department gave special emphasis to establishing the complete value of the City's investment in land, buildings, and the municipal water system. Procedures were designed for the installation of complete detail supporting summary of accounts payable, deposits payable, and all balance sheet accounts.

PERSONNEL

Personnel Department activity in recruiting and examining for the City positions has more than doubled over the past four years. To keep pace with the City's growing needs and to maintain an active efficient organization, nineteen new positions were added and several departments fully reorganized.

PLANNING

The most important accomplishment during the year was the adoption in March of a completely new zoning ordinance. The new regulations include many up-to-date concepts and procedures.

Late in 1965, groundwork was laid for the preparation of another long-range comprehensive General Plan for the orderly development of the Daly City area.

The General Plan maps and reports will project the community needs and goals for the next 20 to 25 years.

BUILDING-ELECTRICAL

More than 4,500 permits for building, electrical and similar work established a record seven year high for new construction and building improvements.

The Building and Electrical Division assures public safety and compliance to construction codes through reviewing plans and field inspections at various stages of construction.

The Electrical section also is charged with the electrical maintenance and new installations for City buildings, traffic signals, water pumping plants and street lighting.

GARAGE

Sixteen new vehicles were added to the City fleet bringing the total to over 120 City owned vehicles. The Garage performed all types of repairs on City equipment ranging from power lawn mowers to heavy trucks, to keep the City wheels moving throughout the year. The Garage also fulfills the welding and blacksmithing requirements of other City activities.

BUILDING MAINTENANCE

The Building Maintenance Division completely repainted the exterior and portions of the interior of the War Memorial Community Center and Finance Offices during 1965. The Division is responsible for the continuous maintenance and repair of all City buildings and the painted street markings.

Among the major remodeling and repair projects undertaken during the past year were the City jail, maintenance building and electrical shop.

ENGINEERING

The Engineering Division had a busy year designing and co-ordinating construction work for numerous City programs.

Construction of the new City Hall was initiated and many street improvement projects were undertaken in 1965 with contract administration by the Engineering Division.

Other 1965 programs included traffic signal and parking lot improvements, supervision and inspection of garbage dump operations, and maintenance of City public utility maps and records.

STREETS

Maintenance of streets and storm drains are the Street Division's primary responsibility. Streets are cleaned, patched and repaired in a continuing program. Also, warning and regulatory signs are installed and maintained by this department. Specific projects completed in 1965 include additional parking areas at the City Hall and preparation of streets for the resurfacing and slurry seal programs.

PROTECTION OF LIFE AND PROPERTY IS MAJOR CITY RESPONSIBILITY

FIRE

During 1965, the Fire Department responded to a total of 2,272 alarms, which included not only actual fires and false alarms, but also many calls for rescue and first aid emergencies.

The City was saddened in January with the death of Fire Chief Elmer Kennedy. Chief Kennedy had organized the City's full-time fire department in 1951, and had been the Chief since that time. Assistant Chief Herbert Ritzmann was appointed Chief in April.

In 1965, the Department was increased by the addition of six new firemen bringing the total manpower to 65. The Department acquired two new fire engines with 1,250 gallon-per-minute pumping capacity.

POLICE

This year saw the innovation of the use of patrol districts, supplanting the "beat" concept of patrol. Patrol districts, numbering eleven, are administrative areas into which the City is divided. The patrol district approximates in boundaries and area the Federal Census Tracts. By utilizing patrol districts, the Department is better able to tabulate crime statistic fluctuations, and to compare them against the known population. Patrol patterns can be shifted and overlapped to cover any given set of circumstances, or to combat any

crime or natural emergency. With this fluid concept of patrol the department is better able to meet the hour to hour needs of the City.

One or more patrol units may be assigned to a busy patrol district. In quiet areas, one unit may be assigned to cover more than one patrol district. It is simple to adjust to needs, daily or hourly, as they arise or are anticipated.

With the rapid growth of the Department, special emphasis is given to training for all ranks of personnel. During the year department members have undertaken courses administered by the FBI, State Commission on Peace Officer Standards and local colleges as well as the regular departmental in-service training activities.

In 1965, seven new positions were added to the complement of 65 uniformed officers in the Department. In the recruitment of new personnel the City has established high standards to keep pace with the increasing complexity of law enforcement in a metropolitan setting.

WATER SYSTEM EXPANDS TO MEET GROWTH

Contracts have been awarded for construction of two major additions to the Daly City Water System. These projects will further strengthen the water utility's capability and efficiency.

Located east of Fairlawn Court, the new \$240,000 Westlake Pumping Station and Reservoir will complete the water system in the Westlake area. This facility will house a 150,000 gallon

underground reservoir and a 3,600 gallon per minute pumping plant.

The second major project is the new City Reservoir under construction in the new Serramonte residential development. This unit will have 1½ million gallon capacity and will be built of prestressed concrete. The pumping capacity will be 2,000 gallons per minute.

Other projects include installation of two new high pressure water mains on Vendome and Santa Barbara Avenues, and the engineering design and construction of a 16 inch emergency supply main on 87th Street.

The engineering improvements have been undertaken to provide for increasing needs of nearly 16,000 individual water customers of the City of Daly City.

Construction of new \$3 million City Hall progresses on schedule toward opening date in April, 1967. General Contractor for the project is the Guy F. Atkinson Company.

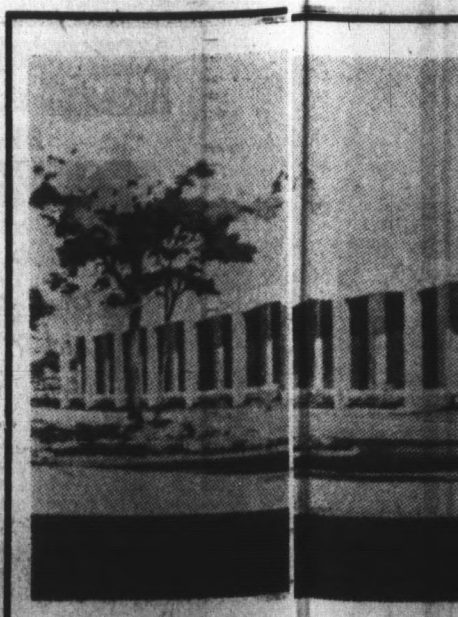

The Annual Youth in Government Program sponsored jointly with the Jefferson Union High School District provides a first hand active experience in local self-government.

Architect's drawing depicts the "public service center" lobby of the new City Hall. Most all offices open onto the central lobby, providing "one-stop" service.

The recently completed Sullivan Avenue Extension reflects the growth of our community. The new thoroughfare will serve the St. Francis Heights, Serramonte and Hospital areas.

The Westlake Pumping station is the project in recent years. The \$240,000 for completion in late spring of this year.

ANNUAL REPORT

MAJOR ACCOMPLISHMENT OF 1965

Construction begun on \$3,000,000 Civic Center.

Comprehensive long-range General Plan initiated to guide future planning for City growth and municipal services.

Dedication of Sullivan Avenue Extension.

Adoption of Municipal Code incorporating all laws since City's founding.

Improved traffic signalization of Park Plaza and Alemany Boulevard intersection.

Coordination of Junipero Serra Freeway construction with local street and traffic improvements.

Dedication of Arden Court and Polaris Way Tot Lots and Tennis Court.

Reduction of City Tax Rate from \$1.50 to \$1.17.

Additional landscaping completed on Alemany Blvd.

Construction initiated for \$240,000 Westlake Pumping Station and underground reservoir.

EXPANDED PROGRAMS FOR BETTER SERVICE

City Recreation Staff doubled, adding many new programs and activities.

Library collection expanded with the addition of nearly 6,000 books and 1,600 audio visual materials including records, films and pictures.

Addition of two new fire engines each with 1,250 gallon-per-minute pumps, increased fire service equipment to 23 vehicles.

Opening of temporary Serramonte Fire Station providing protection for new areas of the City.

Personnel increase of six Firemen and seven Police Officers to complement present Safety forces.

Expansion of City Water system including 87th Street high volume water main, and initiation of construction of Westlake pump house, and two new reservoirs.

Adoption of position of Recreation Aide providing additional playground leadership in summer recreation program.

OFFICE OF THE CITY MANAGER
CITY OF DALY CITY
78 WELLINGTON AVENUE
DALY CITY, CALIFORNIA

March 10, 1966

CITY MANAGER
EDWARD FRANK

The Honorable City Council
City Hall
Daly City, California

Gentlemen:

It is my pleasure to submit to you this brief resume of activities of the City of Daly City for the calendar year 1965. It tells the story of a community which has supported a program of municipal progress in both services and permanent improvements.

These pages also reflect the loyal and dedicated service of 275 municipal employees. Separately, each contributes his skills and energies in his particular assignment. The sum total is a high level of City services.

The major accomplishments and activities of the year are listed in this report and reflect the "team" results of the elected officials and staff.

I wish to express to you and the employees of the City of Daly City my sincere appreciation for making these achievements possible.

Respectfully submitted,

Edward Frank

Edward Frank
City Manager

TOTAL LIABILITIES:	\$4,992,801.59

LIBRARIES PARKS AND RECREATION

CITY PLACES SPECIAL EMPHASIS ON PROGRAMS FOR ENJOYMENT, LEARNING AND LEISURE

PARKS AND RECREATION

Recreation opportunities became a reality this year for many children in the newly developed Southern Hills area of the City. This opportunity took the form of a dedication of two new facilities. Arden Court Park and Polaris Way Park bring the over-all total City recreational facilities to fourteen. In addition to these facilities, fifteen school sites are utilized to bring recreational programming and activities to people of all ages throughout the City.

Of special interest to younger children is the newly completed Pirate Ship and play area at Westmoor Park. For the older children the City Council's budgeting of funds for basketball courts at Polaris Park will provide many active hours of play.

The most significant change affecting the total recreation program during the past year was the addition of three full-time Recreation Supervisors to the Department staff. This expansion will provide the means for many new and expanded programs.

In an effort to increase leadership and activities at individual recreation facilities the new position of Recreation Aide was authorized and a limited number of high school students were hired to assist Recreation Leaders in several of the larger recreation facilities.

During 1965, the Daly City Senior Citizens Club was organized under the sponsorship of the Recreation Department. The group which presently has more than 80 members meets every Wednesday morning at 11:00 a.m. at the Lincoln Park Clubhouse.

The attractively groomed parks and grounds of municipal buildings are visible evidence of the constant and extensive maintenance program of the Park Division. Approximately 34 acres of parks, lawns and planting strips lend attractive beauty to the City. In addition to the maintenance work, extensive landscaping was completed on Alemany Blvd., and City reservoir grounds.

New planting was also placed at two new pump stations and one new park in Southern Hills, on traffic islands on Los Banos Avenue, and on a portion of Lake Merced Boulevard.

LIBRARY

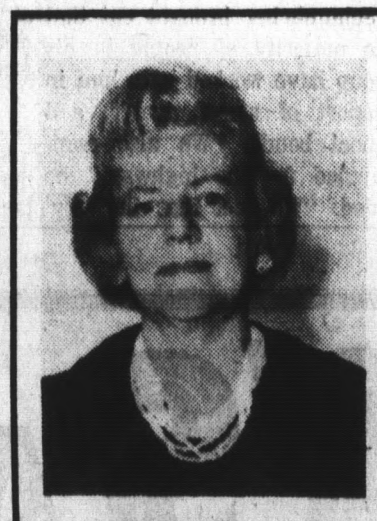

For the past several years and again in 1965, the City has given special emphasis to expanding the Public Library collection. 5,705 new books and 1,663 non-book materials including records, films, periodicals and pamphlets were added, bringing the total book stock to 48,734 volumes. Phonograph record additions increased the number available for circulation to 1,412.

A very successful activity of the Children's Library was the summer reading program. Story hours were held weekly at each of the three library branches and were so well attended, additional sections were scheduled.

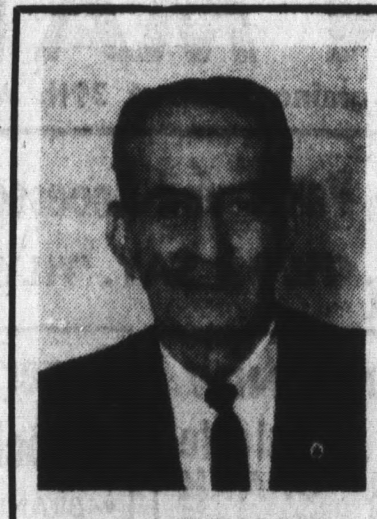

The Library subscribes to 225 separate magazines and newspapers. Due to the high demand for periodicals, duplicate subscriptions were made for many.

In 1965 the Library added 99 eight-millimeter films, mostly cartoons and travelogues. These have been very well received by library patrons and are very much in demand.

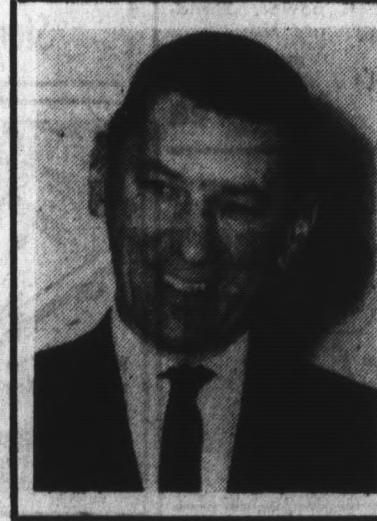

Library service records show a high average circulation of more than five times per book for 1965. The upward trend of adult circulation established in 1964 continued and accelerated in 1965. Under the sponsorship of the Friends of the Library, eleven book reviews by noted speakers and librarians were held in the Westlake Library. The same organization also sponsored several evening programs on current events.

ANNA OHLENDORF
CITY CLERK

JOSEPH LEWKOWITZ
CITY TREASURER

PAUL HUPF
CITY ATTORNEY

CITY CLERK

The rapid growth of the City of Daly City has added greatly to the documents to be incorporated into the records maintained by the office of the City Clerk including minutes of meetings, ordinances, resolutions, agreements, all documents and deeds with respect to the acquisition of property for the new City Hall.

A special election was conducted to annex inhabited territory to the City and there were six uninhabited annexations processed.

The City Clerk is the Registrar usually assists qualified citizens in filing of veterans' exemption papers.

CITY TREASURER

During the fiscal year ended June 30, 1965, City Treasurer, Joseph Lewkowitz supervised the management of more than \$625,000 in reserve City funds. Also included in the Treasurer's responsibilities is the retirement of the City's bonded indebtedness.

CITY ATTORNEY

In 1965 two significant projects were completed by the City Attorney, Paul Hupf. The site for the City Hall was acquired in full after extensive legal proceedings. More than 13 separate owners were involved in the acquisition of eighty lots and the closure of intervening streets.

The Code of the City of Daly City, a compilation of all of the City ordinances in systematized form, was completed and delivered to the City. This represents the first such codification of Daly City's ordinances and presents the City with a fully indexed set of its ordinances and laws. This code is the fruition of more than two years detailed work under the supervision and direction of the City Attorney.

THE PEOPLE WHO SERVE YOU

Generally we think of Government in impersonal terms; but in a residential community such as Daly City, local government means the people. Over 350 officers and employees are your neighbors and fellow citizens.

The Pumping Station is the largest Water System project in recent years. The \$240,000 structure is scheduled to be completed in late spring of this year.

The first section of the Junipero Serra Freeway in Daly City will be opened to traffic next month. The City has worked with State Officials to jointly plan freeway ties to local streets for the Junipero Serra and Cabrillo Freeways.

The day to day housekeeping operations often go un-noticed. Sweeping City streets is one of many municipal services to keep our community attractive.

APRIL 12 ELECTION

Pacifica Group Meets To Defeat Two Bond Issues

By BERENICE PALMER

"We think the bonds would be an extravagant use of public funds. This is the first time we have stood up publicly and said, 'No.'"

Former Pacifica Mayor Gerry Schumacher thus explained his reasons for the formation of a group who will make an effort to defeat the two bond proposals in Pacifica's April 12 election.

The new group, headed by Schumacher, calls itself

"ALERT" (Association Let's Eliminate Ridiculous Taxes), and held its first meeting Friday night at the Sea Bowl in Pacifica.

The steering committee is composed of Jim Washington, Mrs. Bobby McWilliams, Henry Eickhoff, and Frank Parks.

Schumacher said that the group would actively oppose the beach purchase bonds and civic center site bonds for Pacifica.

Around 30 persons attended the Friday night meeting. The

majority were against the bond proposals.

Pacifica Mayor James Fox, who had been invited to attend, presented the official city view in support of beach and civic center site purchase.

Schumacher stated that there are two reasons his group is opposed to beach purchase. One, is the cost to the local taxpayer, and the other is that all avenues for county and state operation of the beaches have not been explored.

The beaches will be used by all of San Mateo County as well as people from other areas of the state, Schumacher contended. "The burden of purchase and maintenance should not be put on the taxpayers of Pacifica."

The Park, Beach and Recreation Department of Pacifica has been informed by both the state plans in the future for any maintenance or purchase of the beaches.

When asked about this, Schumacher replied that he felt his group, if the beach purchase bonds fail, would make an effort to have the state or county assume responsibility for the beaches in Pacifica.

Schumacher brought out that already 24.79 acres of beach in front of the Sharp Park Golf Course are owned by San Francisco, and 8.9 acres of the county in Pacific Manor as well as an area in Pedro and northern Sharp Park.

Sharp Park Beach is also state-owned.

"No real effort has been made by city officials," Schumacher stated, "to have the state and county assume responsibility for the reas already owned. We feel that the city has not exhausted all its means, or made any real

EDWARD M. SOHL Jr., son of Mr. and Mrs. Edward M. Sohl, 228 Modoc Place, Pacifica, has been selected for training at Lowry AFB, Colo., as an Air Force communications analysis specialist.

attempt at legislative efforts in his regard."

"After purchase what about maintenance cost if we buy a large part of the beaches?" Schumacher said. "There are no other sources except our own tax rate."

As far as Proposal B, bonds for purchase of a civic center site, Schumacher said that he felt the location was the key question.

"We are asked to authorize \$300,000," he said. "There is no indication on the ballot as to location, or what it is for—perhaps a down payment?"

"I feel the city is just asking for a blank check here, with no control. It will take 10 to 15 acres from tax assessment, and no plans are mentioned."

Schumacher brought out that the majority of people in his group have worked with him in support of sewer, water, and school bonds. "We also campaigned for the highway," he

added. "We feel that the city

Deputy Acquitted in Assault Case

A Superior Court jury took only a half hour Friday to find Deputy Sheriff Michael Sinnott innocent of felonious assault upon a county jail prisoner.

The 23-year-old deputy, who has been on voluntary leave of absence following a 30-day suspension ordered by Sheriff Earl B. Whitmore, said he intended to go back to work in the jail Monday.

The suspension has been appealed but Sinnott said he is uncertain whether he will follow through with that.

In the fifth day of trial, Judge J. A. Branson sent the jury of eight men and four women out at 12:20 p.m. and sent them to lunch at 12:45. They returned at 1:40 and five minutes later sent word out that they had reached a verdict.

There was hand-shaking and back patting all around after the verdict was announced and the young deputy was embraced by his tearful mother, Mrs. G. V. Sinnott, a San Jose school teacher.

Sinnott said he was grateful to those who contributed money to his defense fund. More than

should have been consulted with the public before they put up these bond proposals.

He also questioned the "100 per cent financing" by the federal government for erosion control if the beaches are publicly owned. "According to information I have received, 20 per cent would have to be paid by the city. Also, if the beaches are purchased, the tax rate is based on only an 'expectation' of getting an open space grant of \$820,000 from the federal government."

Strips of meat are dried in the sun for two days to make tasso, a favorite Haitian dish.

\$1,000 was given by fellow officers and friends.

The deputy was accused of making an unjustified assault last December 18 upon an inmate, Robert Morrissey, an

East Palo Alto janitor. Sinnott said he used only necessary force upon Morrissey and denied that he intended to, or actually did, hurt him.

"I am very gratified," said

James M. Dennis, Sinnott's lawyer, "that the jury saw through the nature of the charges. Mr. Morrissey exaggerated the incident far beyond its importance."

Buick's \$1,000,000 Sweepstakes

If you take a minute to check our list of winning vehicle identification numbers, you may know how it feels this week.

The contest's in its last week. So hurry. Here's how it works. Look at the first symbols (the prefix) on your vehicle identification slip. Then look at the symbols listed above. If you find yours on the list, you've taken the first step toward being a winner. Now go see your Buick dealer. He has a list of 72 winners posted in his showroom. If you see your entire vehicle identification number on the poster—the symbols plus the rest of the numbers—\$2,332 cash is yours. (If your prefix isn't listed in this ad, don't give up. Your numbers may have been posted during the past six weeks. Every week 72 winners were posted on the showroom wall.

You may have missed your number before.) No slogan to invent, no puzzles to solve. In fact, you don't even have to own a Buick to have a winning number.

Contest Rules: Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Polk and Co., P.O. Box 1347, Detroit, Michigan 48231 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification number. An official entry form will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Not valid in Florida or states where prohibited by law.

Hurry. Buick's \$1,000,000 Sweepstakes is in its last week.

There's an authorized Buick dealer near you. See his Double-Checked used cars, too.

STYLE SHOW SET

Westlake Swings Over to Spring

SUSANN BERNARD
—A Royal Touch

THE WESTLAKE Shopping Center will swing into spring Saturday with a gala fashion show on the center mall. Festivities will begin at 1 p.m.

Dan Sorkin, well-known radio station KSFO personality and star of his own Commute Club show, will head an array of professional talent and models that will appear in the show. He will serve as commentator.

A touch of Daly City royalty will be provided by Susann Bernard, the reigning Miss Daly City.

Mrs. Jeanette Parkinson, fashion expert for the H. Liebes Stores, will co-ordinate the program.

MUSICAL accompaniment will be provided by piano stylist Rex Slissman, concertmaster for the Sal Carson band.

A former pianist with the famed shuffle rhythm orchestra of the late Henry Busse, Slissman has entertained at such Bay Area night clubs as the Top of the Mark, the Club Lido and Italian Village. He also has appeared in stage shows at the Golden Gate Theatre.

THE FASHION show will be held on a specially constructed stage and floral ramp.

Models will represent such Westlake shops as H. Liebes, Penney's, Pauson's Store for Men, Sue Scott Apparel, Casual Aire, Elsa Margo, The Fashion, Jay-Vee Stores, Leed's, W. T. Grant, New England Shop, Lass and Laddie, George's of Westlake and Fern Warner Maternity Shop.

Rains Delay 2 Projects

Recent rains have caused a delay of approximately 10 days in two San Bruno construction projects, according to Leo Van Dusen, city engineer.

Van Dusen said the projects are Forest Lane, which is being reconstructed after heavy abuse by trucks, and the planned development area at Tanforan.

In both cases, the engineer said, it is necessary to wait until the moisture content of the already-laid base rock is suitable for pouring cement.

In one other project, however, the rainfall has actually helped: on the \$10,000 Kains Avenue storm drain project, Van Dusen

said, the precipitation has helped to compact sand placed for the construction.

Marriages

COPPLAGACE — Lawrence Walden Copp, 22, Millbrae, and Myrtle Ann Lagace, 42, San Bruno.
SWITMAN-HELY — Sidney Joseph Switman, 32, San Bruno, and Hilda Estelle Hely, 36, San Francisco.
PATTERSON-LONG — Gilbert Harold Raymond Patterson, 24, San Bruno, and Cheryl Louise Long, 20, Burlingame.
O'NEIL-HA — Michael William O'Neil, 24, Daly City, and Christine Son He, 21, San Francisco.
GATES-LOFTIN — Arthur Bernard Gates, 22, San Bruno, and Catherine Ann Loftin, Sunnyvale.
DOLAN-O'FARRELL — Arnold Paul Dolan, 26, and Linda Louise O'Farrell, 18, both of San Bruno.

EXAMINING SEA OF DETERGENT SUDS at South San Francisco's recently-modernized treatment plant are (left to right) Dr. Pat. E. Stalteri, Hillsborough, West Coast representative of Enzymes, Inc.; Dr. Howard Worne, developer of "Enzobac"; South San Francisco Councilman Andrew Rocca, John Collins, Superintendent of Sanitation, and Mayor Frank J. Bertucelli.

Bay Grocers Form New Association

A new association for grocers has been formed which will serve the retail food industry throughout the six Bay counties.

Gene Yee, vice president of Dick's Supermarkets, was elected president of the new voluntary trade organization.

Retailers from San Mateo County serving on the board include John Cala, Littleman Stores; Benny Moritz, Community Stores; Gehart Bitter, Laurelwood Market; Jay Smith, P-X Markets; Don Stanaway, Stanaway Brothers' Food Centers; Karl Thomsen, Foods Company Markets; Charles Cara, Q.F.I. Stores; Charles Dougherty, Pacific Markets; Ron Louis, Louis Stores; Bill Henry, Food Villa, and Joe Azzopardi, Mary Manor Market.

Beverly Thomas Named Director

Beverly Thomas, M.D., of 55 Aura Vista, will be the new Medical Director for Pacifica's Civil Defense and Disaster Council.

She succeeds Dr. David Brown who also practices in Pacifica.

Frank Peters, assistant deputy director of Civil Defense announced the appointment of Dr. Thomas and introduced her to members of the council, at a meeting last week.

S.S.F. Council Mulls Plan To Attack Water Pollution

South San Francisco councilmen are pondering a move which, its promoters say, could at once solve the problem of petroleum waste products which have been piling up for two years, ease maintenance and upkeep expenses at the recently renovated treatment plant, and make the city a leader in control of water pollution.

The solution: A chemical which, added to sewage at the treatment plant, would attack and break down materials such as detergents and hydrocarbons which resist normal bacteria provided by nature.

The city council met in a special session with the inventor and promoter of the chemical, Dr. Howard E. Worne, a biochemist.

By sampling the city's sewage, Dr. Worne told councilmen, he has been able to determine what new types of bacteria are needed to break down the resistant materials—and, he said, his firm is eager to supply the solution to do the job.

Councilmen and city officials, working with pencils and round figures, estimated that a 45-day test of Worne's product would cost the city approximately \$15,000.

If the method were adopted, its use would cost about \$120 a month for normal operation.

S.S.F. Marine Killed in Viet Nam Action

Lance Cpl. Michael Bianchini, a South San Francisco High School dropout who helped add new meaning to the Marine Corps Hymn, has been killed in action in South Viet Nam.

Bianchini, 19, was awarded the Bronze Star for bravery while being wounded in action at Christmastide.

In January, he completed two years of service in the Corps, adding exotic Oriental names to the lists of places where Marines have given their lives while fighting their country's battles.

On March 5, he was killed. Funeral services were held on Thursday and Friday.

Bianchini, son of Mr. and Mrs. Joseph C. Bianchini, 701 Newman Drive, South San Francisco, dropped out of El Camino High School two years ago because his grades were not good enough to allow him to continue playing football.

"He loved football," said his mother, "but he joined the service when he found he could not continue playing."

"He has done a lot since he joined the Marines."

Survivors include his parents, a brother, John Joseph, and a sister, Joanne, South San Francisco; and his grandparents, Mr. and Mrs. Orville Crowell, Millbrae, and Mrs. Cora Bianchini, San Francisco.

He was a native of San Francisco, but had lived most of his life in South San Francisco, and attended El Rancho Elementary School, Alta Loma Junior High, and El Camino High school there.

The rosary was recited Thursday at Larson Garden Chapel. A requiem mass was celebrated Friday at Mater Dolorosa Catholic Church. Interment was in Golden Gate National Cemetery.

Portuguese call dried cod o fiel amigo, the faithful friend, and claim to have devised 365 ways of preparing the fish—one for each day of the year.

Bruno Man Is Promoted

Donald A. Harting has been appointed manager of Daly City's Westlake branch office of Occidental Life Insurance Company of California, according to John A. Allison, vice president in charge of agencies.

For the past two years, Harting had been serving as the branch's brokerage manager. Prior to coming to Occidental, he was associated with the Prudential Life Insurance Company as an agent.

He was born in Lakewood, Ohio, and graduated from Kent State University.

He and his wife, Carol, and their two sons, Paul, 4 years, and Thomas, 4 months, live at 1686 Juniper in San Bruno.

Monsieur Jean Bauchet is an art collector and a connoisseur of fine automobiles. He understands that quiet in a car means quality. After driving a '66 Ford XL, he said, "They would not have to make Paris streets so smooth if all cars rode like this."

Who says a '66 Ford rides quieter than Jean Bauchet's \$12,000 Facel Vega?

Jean Bauchet!

Ford's quiet ride, who recently toured Europe demonstrating the exceptional quality of the '66 Ford to owners of some of the world's most expensive cars, here discusses a '66 Ford XL with Monsieur Bauchet outside of Monsieur Bauchet's Paris home.

"Such smoothness, such silence," says Jean Bauchet. "Your Ford is quieter, M'sieu."

Ford's quiet quality is the result of advanced engineering features like a revolutionary new frame that "tunes out" road vibrations... the strongest body ever on a Ford. But the quiet ride is just one of many reasons why you're ahead in a Ford all the way. Only Ford in its class offers a Stereo-Sonic Tape Player option that

brings you over an hour of uninterrupted music of your choice, on each self-threading, snap-in tape cartridge. Magic Doorgate for wagons (standard equipment) that opens out like a door and down like a tailgate, depending on whether you are loading kids or cargo. Silent-Flo Ventilation (on 4-door hardtops) that

brings in fresh air and gets rid of smoke and stale air with the windows closed. Even Ford's keys are special—they're double-edged so they fit in locks either side up. Visit your Ford Dealer and test-drive a '66 from Ford. See how many ways Ford can put you ahead in '66.

You're ahead in a FORD all the way!

Cancer Film For Daly City Women

When the American Cancer Society film "Self Breast Examination" is shown Wednesday, March 30 at the Serra Theater, Mrs. Kenneth Pack will be there.

She won't be seeing the film for the first time, either—she was in the audience ten years ago when it was shown at a meeting of the Bayshore School P-TA.

As a result of that showing, Mrs. Pack, who lives at 112 MacDonald Avenue, Daly City, discovered she had cancer.

"If it hadn't been for these two groups—the cancer society and the P-TA—even though I was a nurse, worked with doctors and had just had a physical examination, I would not have found out," she said.

Because she discovered her cancer in time, Mrs. Pack was completely cured and leads a full life—which includes work as a volunteer for the Daly City Auxiliary of the American Cancer Society, which is sponsoring the free film.

One of the most important aspects of the film, said Mrs. Pack, is the peace of mind it gives the majority of women, who can assure themselves that they do not have breast cancer.

It is also a valuable supplement to regular medical check-ups, she pointed out, because by using the examination methods described in the film a

S.S.F. Driver Is Injured

A South San Francisco woman was injured last Tuesday afternoon when her auto and another car collided at Hillside Boulevard and Bismark Street in Daly City.

The woman, Marian Ripley, 40, of 571 Grand Avenue, suffered cuts of the chin and both legs. She was admitted to Mary's Help Hospital where her condition was described today as good.

The driver of the other car was identified as David R. Matison, 16, of 416 Eighty-eighth Street, Daly City.

woman can detect danger signs that even her physician may miss.

In addition, the film can help to dispel some of the mystery many women associate with the subject of breast cancer.

"Many people who haven't had cancer fear it," Mrs. Pack said, "and those who have had it are often ashamed."

The 15-minute film will be introduced by Dr. Lawrence Foye, the chief of cancer chemo-therapy research and assistant chief of medicine at San Francisco's Veterans Administration Hospital.

Following the showing, Doctor Foye will conduct a question-and-answer forum on the subject of breast cancer.

The film, which the cancer society is urging all women to attend, will be shown at 1 p.m. Wednesday, March 30, at the Serra Theater, 2710 Junipero Serra Boulevard in Daly City.

D.C. Council Asks Priority On Freeway

Daly City — in contrast to its large northern neighbor — is happily awaiting the completion of one freeway, and actively urging the start of another.

With completion of the Daly City link in the Junipero Serra Freeway scheduled for late next month, the City Council last week called for early construction of the Cabrillo Freeway, which will connect Junipero Serra with Skyline Boulevard.

In a resolution passed unanimously at last week's meeting, councilmen called the Cabrillo Freeway "a matter of urgent importance," and asked the division of highways to include funds for the project in its 1967-68 budget.

The resolution pointed out the growing need for the freeway, as subdivisions in the area continue to expand and the Serramonte Shopping Center approaches completion next year.

Cancer Film Showing

MRS. CHRISTINE PACK, Daly City, American Cancer Society volunteer, is welcomed to Serra Theater by Manager Howard Naify. Cancer society film, to be shown free next Wednesday afternoon, may have saved Mrs. Pack's life when she saw it 10 years ago. Society is urging all North County women to attend the 1 p.m. showing.

Terra Nova Audience Hears Warnings on Social Disease

These were some of the startling facts presented last week to an audience of over 300 at the Terra Nova High School cafeteria in Pacifica, by Dr. Edward K. Williams. More than half of those attending were upper grade high school students.

The program was given by the Terra Nova Parent-Teachers' Association on Thursday evening.

Dr. Williams' talk was entitled, "Venereal Disease, A Growing High School Menace." He is a practicing physician, assistant professor of Clinical Medicine at Stanford, and a lecturer and professor at the College of San Mateo.

More facts brought out by Dr. Williams were: Since symptoms of gonorrhea and syphilis are external in males, they are easily recognizable. In females,

however, both diseases are hidden, so treatment is usually not sought. The female, therefore, can unknowingly carry the disease and infect the male, without ever knowing she has it. The body does not become immune after one infection. It is a human disease, not found in animals.

"The sad part about gonorrhea," Dr. Williams said, "is that it causes sterility. Syphilis can show up years later in brain damage." He emphasized that free advice and treatment can be obtained at the San Mateo County Department of Health, also a free blood test for syphilis. "If you are embarrassed," he advised, "ask for a serology test."

"Venereal diseases are not a result of lovemaking," Dr. Williams stated bluntly, "but a result of sexual intercourse, and since neither of these is likely to go out of style, the only guarantee against getting the disease is marriage or abstinence." A blood test for syphilis

Registrar In Daly City

The San Mateo County Registrar of Voters will be in Daly City to register citizens of voting age today through April 14 at the Mayfair Market on Junipero Serra Boulevard.

The registrar will be at the market on Wednesday, Thursday and Fridays from 2 p.m. to 5 p.m. and from 6 p.m. to 8 p.m. and on Saturdays from 10 a.m. to 5 p.m.

is a legal requirement for marriage.

Going from facts to opinion, Dr. Williams went on to state: "Intelligent people don't sleep around. I realize if you are going to tell someone to stop doing something that's fun, you have to give them a good reason. Sexual intercourse ought to be reserved for marriage. In spite of the new sexual revolution, nothing has changed."

CHAMBER LUNCHEON

D.C. Government Structure Told

The governmental structure of Daly City was neatly dissected Thursday at the first annual city government luncheon of the Daly City-Colma Chamber of Commerce.

The surgeons were members of the City Council who had been invited to explain the city's organization, some of its accomplishments and plans for the future.

Chamber President Edward Morgan opened the program, held in Val's Redwood Room Restaurant, with the observation that "we've been blessed in this community with fine people in government." And he added: "This city has moved forward with dignity . . . in a period of rapid growth. This is a real credit to the city fathers and city employees."

"Almost without exception, they've been able to provide needed services quietly and efficiently," Mayor Francis Pacelli, the first of five councilmen to speak, remarked that city government is an area in which the public still can communicate directly with its elected and appointed officials.

"There seems to be this concept today that everything has to get bigger and bigger and farther and farther away from you and I," he said.

"However, I think in city government, this is one area in which you can still be heard. And it is imperative you get to know your government."

D.C. Police Ask Pay Hike For Officers

Daly City Police Chief Roland Petrocchi said last week that his department is competing with private industry as well as other law enforcement agencies for competent young men.

And to compete effectively, he told the city's personnel board, "we must bring our conditions up to par with private industry."

Specifically, the chief said, he meant wages and fringe benefits. Towards that end, he proposed a 4 1/2 per cent wage increase for patrolmen for the forthcoming fiscal year and a similar increase the following year.

In addition, he said that the board should consider increasing the differential in grades from 10% to 12 per cent.

Presently, Petrocchi said, "a sergeant actually earns less per hour than a patrolman," because of the extra hours he must put in.

The chief also proposed an arrangement whereby officers who have earned the maximum allowable sick leave—150 days—would be given a day's pay or a day off for each month they do not take sick leave.

This, he said, would tend to eliminate the practice of taking sick days just to avoid losing them. In his final recommendations, Petrocchi urged that the Daly City residence requirement be abandoned, or at least revised to allow officers to live "in San Francisco or San Mateo County."

The move would help in recruiting officers, the chief said, and he pointed out that a policeman living "across the street" in San Francisco would be closer to the station in an emergency than one with a home in one of Daly City's southern subdivisions.

The requests presented to the board will now be studied and recommendations will ultimately be made to the City Council when it begins its budget hearings later this spring.

CSM Study Program Set

Pacific residents interested in a Community Education Program through the College of San Mateo, are being asked to complete a questionnaire obtainable at the Sharp Park Library.

Mrs. Kay McAvin, librarian, and Mrs. Janette Thompson, coast librarian, have compiled the questionnaire to aid Dr. William Miller, community coordinator of education at San Mateo.

Among the questions asked are, the type of education: small discussion groups, courses, lectures; and, the areas of interest such as the sciences, art, music and politics.

Dr. Miller will meet with interested citizens today at noon in the Library's Community Room.

Details for a fall program to be brought here from the college will be discussed at the meeting.

Mayor Pro Tem Albert Polonsky, introduced by Pacelli as "our next mayor," traced the city's financial history over the past several years and noted that the council has not resorted to a bond issue for public improvements in the last decade.

Councilman Micheal DeBernardi discussed the impact of a Bay Area Rapid Transit District (BARTD) station on Daly City.

He said the station "in itself will create transportation problems in Daly City" and that the city was holding up development of transportation plans pending BARTD proposals for feeder lines.

Councilman Edward Dennis reviewed the role of the Planning Commission and planning in general. He noted that the city has embarked on a program to develop a general plan, which would take a year to complete.

An outside consultant firm has been hired to develop the plan and is expected to start work late this year, Dennis said.

Councilman Bernard Lycett, who, after noting that his topic was sanitation, regaled the audience with oblique references to sanitation and gently chided City Attorney Paul Hupf, master of ceremonies, for assigning him the topic.

Lycett then evoked a loud burst of applause by singing what he said was an original composition about St. Patrick's Day.

Chamber members, city councilmen and department heads were guests yesterday of Val Connolly, owner of the restaurant, in honor of St. Patrick's Day.

Lunch Menu For JESD

Here is the school lunch program for the Jefferson Elementary School District from tomorrow through next Wednesday:

TOMORROW
Italian baked macaroni with beef
Tossed green salad
Carrot stick
Homebaked roll and butter
Ice cream
Milk

FRIDAY

Torpedo sandwich with meat, cheese and lettuce
Tossed salad with French dressing
Fruit with cookies
Milk

WEDNESDAY
Sliced turkey
Gravy, cranberry sauce
Candied sweet potato
Buttered green beans
Bread and butter
Frosted cake
Milk

D.C. Council Approves 10 Businesses

Ten new business license applications were approved by the Daly City Council last week—two of them contingent upon fulfillment of safety requirements.

Approved conditionally were licenses for A-1 Furniture and Appliances, 7404 Mission Street, and Cycle Towne, 7339 Mission Street.

Finance Director Joseph Arch was directed to proceed with the issuance of business licenses to the following firms:

Boghossian Photography; Briody's, Inc., Interior Decorating; Broadmoor Pet Salon, Dog grooming;

Daly City Pet Shop; Henry Calmels, Sales of office supplies and specialties; Newhall Photo Finishing;

U-Save Motors, Used cars, 6854 Mission Street; Vista Grande Market, Grocery store.

TOOLS STOLEN

Sanford Ashby of 812 North Mayfair Avenue, Daly City, reported to police last week that tools had been stolen from his house.

WINDOWS BROKEN

Peter J. Viola of 7123-A Mission Street, Daly City, reported to police last week that vandals had broken windows in his car.

S.S.F. Firemen Have 64 Calls

The South San Francisco Fire Department reported answering 64 calls last month—an average of better than two a day.

The largest category was emergency resuscitator calls; 22 were logged.

Firemen were summoned to seven residential fires, and they extinguished six automobile blazes.

False alarms accounted for four of the runs.

Lunch Aid Support Is Requested

Continued support from the federal government for the school lunch program, is being requested by parents and parent-teachers associations in the Laguna Salada School District.

Elementary school children in Pacifica this week brought home a fact sheet on the jeopardy to the school lunch program caused by economies ordered by the President.

Parents were given information about contacting government representatives to request continuance of federal subsidies for school lunches.

The State Board of Education, according to the district, is considering channeling all current federally supported school lunch, milk, and surplus food programs to disadvantaged areas.

The fact sheet to parents from the district states: "It is not unreasonable to expect a 50 cents cost (from 35 cents) to students if all federal support is withdrawn and food costs and labor costs continue to rise."

In a resolution passed at a recent board meeting, it was brought out that between 25 per cent and 30 per cent of the mothers of school children in the district are employed and depend wholly on the school lunch program for lunches.

Air Force Bids Vets Return

Former Air Force men may obtain their old ranks if they enlist during a current "stop-gap" program, according to Air Force enlistment officials.

In the North County, additional information may be obtained at the Air Force Recruiting Office at 420 San Mateo Avenue in San Bruno or by calling 583-5029.

GASOLINE STOLEN
Stella Hanning of 51 Riesel Avenue, Daly City, reported to police last week that gasoline had been stolen from her auto.

RAINCOAT TAKEN

Seymour Hirschman of 160 Wilshire Avenue, Daly City, reported to police last week that a raincoat had been stolen from his auto, parked in front of his home.

THE PASSOVER TABLE, resplendent with the traditional appointments of the Seder. Being served, from a Farberware Dutch Oven, is gefilte fish, one of the most popular and delectable of Hebrew holiday dishes.

Passover Is Said Jewish Favorite

Because it is celebrated in the home, and brings with it a traditional unity of the family, the spring festival of Passover is said to be the favorite of Jewish holidays.

The traditional seder table, resplendent with snowy cloth, silverware and candles, holds a number of symbolic foods. A roasted shank bone, roasted egg, bitter herbs, haroses (a mixture of apples, nuts and wine), parsley, and salt water are placed together on a platter in front of the person leading the ceremony.

During the eight days of Passover, meals vary from those of the rest of the year. The same foods are used with these exceptions: all leaven is omitted—this is in memory of the fact that the Jews hastening from Egypt had no time to leaven their bread. Dried beans and wet peas, legumes and grain may not be used; baking powder, baking soda and yeast are not permitted. The customary flour for baking and cooking is replaced by matzo meal, potato flour, and matzo meal cake flour. (Finely ground matzo meal).

Meats, poultry, fish, fresh fruits and vegetables are used extensively for Passover meals—and one of the favorite foods at holiday time is gefilte fish. Gefilte fish may have originated in Germany or Holland some time after the expulsion of Jews from Spain in 1492. Or, it may have been invented in Russia or Poland. Perhaps, it was only the culinary ingenuity of a housewife on a budget in need of a food stretcher. One thing is cer-

tain, gefilte fish is delicious.

GEFILTE FISH

3 pounds fish (pike and whitefish or pike and carp)
2 onions
1 egg
1/2 cup water (approximate)
2 tablespoons matzo meal or bread crumbs
1 teaspoon salt
1/2 teaspoon pepper
a few dashes cinnamon
1 stalk celery
1 carrot
1 potato (if desired)

Clean and wash the fish thoroughly, salt and place in refrigerator until ready to prepare. Skin and bone the fish, reserving the skin, head, tail and bones. Put the fish and one onion through a food chopper and then into a wooden bowl. Add the egg, matzo meal, seasoning and enough water to make a soft light mixture. Chop until smooth and thoroughly blended. Wet hands with cold water, form oval cakes out of the mixture and set aside. Place bones on the bottom of a heavy dutch oven. Slice the other onion, the carrot, the potato and celery. Place them on the bones and season all with a dash of salt, pepper and cinnamon. On these place the fish and cover with cold water. Cover pot, bring to a quick boil, remove cover and turn down heat, keeping the fish at a slow boil 1 1/2 to 2 hours. The liquid should be reduced by half. If the sauce has boiled down completely add a little water. Allow the fish to cool somewhat before removing from the pot. Serve warm or cold, garnished with a sliced carrot, and, if cold, also with the jellied sauce. Serve with horseradish. Serves 4 to 6.

Make Six-Layer Sandwich Cake

A loaf of bread—unsliced, the sixth slice of bread on top. sandwich fillings—whatever the larder has to offer, and your imagination. Here are the ingredients for a new and special party food (or Sunday night buffet) from the "Glad" home service group.

To make the six-layer sandwich cake, take a loaf of unsliced bread, remove crust and cut into six slices lengthwise. Then let your imagination go! Spread one filling on the first slice of bread; then alternate bread and fillings, finishing with

peppers and cold cuts.

For a Special Coffee Occasion

For that special "coffee and ..." occasion, here's an easy, make-ahead dessert that tastes as unusual as it looks. Its surprise flavor is Old English Toffee — distinct, moderately sweet, and found in — of all things — a well-known candy bar.

Candy is an ultra-convenient, though often overlooked, cooking aid, reports a candy company. Chocolate-covered hard-center bars are easy to work with; they can be chopped with a knife or crushed with a rolling pin to provide tasty, crunchy bits that mix right into your cakes, cookies or pies.

Here's an elegant Toffee Coffee Torte that needs no cooking. You can whip it up in 15 minutes and your guests will talk about it for hours.

TOFFEE COFFEE TORTE
1 envelope (2 ounce) whipped dessert topping
1/4 cup sugar
1 tablespoon instant coffee
1/2 cup milk
3/4 cup finely chopped English toffee bars (three 1 1/2 oz. bars)
1 commercial pound cake (12 ounce), cut in three even layers
Combine topping, sugar, coffee and milk; beat as directed on topping package. Fold in

Dress Up Lady Fingers

Dress up store-bought ladyfingers this delightful way.

Seafood Salad
Potato Chips Hot Rolls
Party Ladyfingers Beverage
PARTY LADYFINGERS
3 tablespoons butter
1/2 cup plus 1/4 cup sifted confectioners sugar
1 tablespoon milk
12 ladyfingers, split
1/4 to 1-3 cup orange marmalade
3/4 cup lightly packed flaked coconut
Cream butter and 1/2-cup confectioners sugar beat in milk and vanilla; stir in coconut. Spread one half of each ladyfinger with some of the frosting; spread the other half with marmalade; press together the halves. Roll in the 1/4-cup confectioners sugar.

Safflower Oil Recipes to Try

The poly-unsaturated qualities of safflower oil can be sampled with these recipes offered by Hollywood Health Foods.

Safflower Devil's Food Cake
With Peppermint Frosting
2 cups sifted cake flour
1 1/2 cups sugar
1 1/2 teaspoons baking soda
1 1/2 teaspoons salt
1/2 cup safflower oil
1 cup buttermilk
2 eggs
2 1/2 squares (2 1/2 oz.) unsweetened chocolate, melted

Sift together sifted cake flour with sugar, baking soda and salt into electric mixer large bowl. With rotary beater, beat safflower oil, buttermilk and eggs until smooth. Add liquid ingredients to dry ingredients and beat at medium speed two minutes. Stop mixer and add melted chocolate. Beat 1/2 minute. Have two 8 or 9-inch layer pans oiled with safflower oil, lightly floured and lined in bottom with round of waxed paper. Divide batter equally in cake pans. Place cakes in 350-degree oven. Bake 8-inch layers 35 to 40 minutes and 9-inch layers 30 to 35 minutes. Frost with following icing:

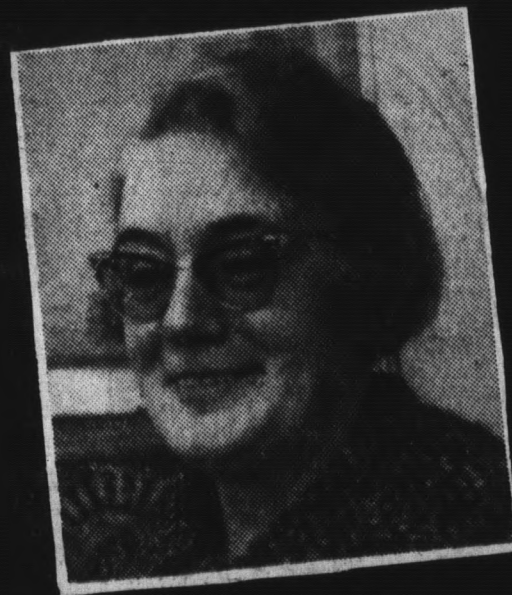

Peppermint Frosting
3/4 cup light corn syrup
2 egg whites
Few grains of salt
1 teaspoon desired flavoring (for Devil's Food Cake, use peppermint)
Bring corn syrup to a boil in a saucepan. Beat 2 egg whites stiff in electric mixer. Add a few grains of salt. Pour corn syrup slowly on beaten egg whites and beat at high speed until icing holds a high peak. Add flavoring. Fill and frost cake layers.

Safflower Frosting
This is a poly-unsaturated frosting for cakes made with safflower oil. It is creamy and tasty and spreads attractively on such cup cakes as Safflower Date Cup Cakes.
1/2 cup safflower oil
Few grains of salt
1/2 teaspoon pure vanilla or lemon or almond extract
1 1/2 cups sifted confectioners' sugar
Mix ingredients in a bowl with a wooden spoon in order given, or blend in the small bowl of

electric mixer. Yield: About one cup frosting.
Variations: Omit half of the flavoring and add any dry ingredient such as 1 tablespoon finely chopped nuts, or 2 tablespoons grated coconut or 1 tablespoon finely chopped dates.
Caution: Do not add a moist ingredient such as chopped marshmallows or crushed pineapple or fresh lemon juice as this will cause a separation of oil and sugar.

Sugar Cinnamon Cookies
1 pound 100 per cent safflower margarine
1 cup white sugar
1 cup brown sugar
3 eggs, well beaten
6 cups flour, sifted
1 teaspoon baking soda
1 teaspoon cinnamon
2 cups chopped nuts
Cream margarine, add sugars gradually. Add well-beaten eggs. Sift measured flour with baking soda and cinnamon. Add to creamed mixture. Blend. Add chopped nuts. Chill in refrigerator until easy to handle. Shape into 4 rolls. Chill overnight. Slice thin. Bake on cookie sheet 10 to 12 minutes at 400 degrees F. Note: Cut enough from roll to fill one cookie sheet and return remainder of roll to refrigerator. This will keep the dough firm enough to slice. This recipe makes about 8 dozen cookies.

Hollywood Cream Dressing
1/4 pound Roquefort or bleu cheese
1 cup safflower mayonnaise
1/2 cup light cream
2 tablespoons lemon juice
2 tablespoons chopped parsley
1 teaspoon grated onion
1/2 teaspoon monosodium glutamate
1/4 teaspoon Worcestershire sauce
1/4 teaspoon garlic salt
1/4 teaspoon coarsely ground pepper
Dash cayenne
Salt to taste
Place cheese in bowl and cream with spoon. Gradually add mayonnaise, blending until smooth. Add remaining ingredients. Mix well. Makes about 2 cups dressing.
Note: Store in covered jar in refrigerator. Let dressing come to room temperature before serving.

SWEET 'N SOUR PINEAPPLE GLAZE

Try Pineapple With Easter Ham

Easter feasts begin and end with bright canned pineapple. For breakfast the golden slices top flaky pastry—a festive accompaniment to an extravagantly delicious Canadian bacon roll. And everyone will delight in the soft-cooked eggs kept warm on rock salt in little terra cotta flower pots. Make perky Easter bonnets from brightly colored paper. Before church you might bake the Canadian bacon for about 45 minutes and leave the glazing for last minute while you cook the eggs and heat the pineapple.

Breakfast over, thoughts turn to dinner. A buffet, perhaps, with the traditional Easter ham, beautifully glazed and garnished with pineapple. The most popular glaze of all, and possibly the simplest, is pineapple syrup or juice with brown sugar. A pinch of herbs or spice personalizes this basic glaze—a spoonful of mustard, some dill weed, cinnamon or thyme are complementary. For something new try the sweet and sour glaze.

For a simple but elegant dessert top pineapple slices with creme brulee. It's cool and refreshing. **GALA BREAKFAST PLATTER** Not the production it may seem, you will be able to do much of the work beforehand. Make the pastry rounds. They will be topped with hot glazed pineapple so it doesn't matter if they are cool.

1 (1-pound 14-ounce) can pineapple slices
1/2 cup apricot pineapple jam
1 1/2 tablespoons wine vinegar
1 (2 to 3-pound) Canadian bacon roll
8 baked 3 1/2-inch pastry rounds
Red currant or cranberry jelly

Drain pineapple. To make glaze combine 1/2 cup pineapple syrup with jam and vinegar. Remove casing from bacon. Place bacon fat side up on rack in shallow pan. Bake uncovered in moderate oven (350 degrees F.) about 45 minutes. Baste with glaze, then continue baking until meat is done, about 40 minutes longer. Continue to baste now and then with remaining glaze during baking. About 5 minutes before bacon is done, place drained pineapple slices in pan. Add a little additional pineapple syrup if an glaze is too thick. Heat pineapple, turning once. When ready to serve, arrange bacon roll on hot serving platter. Spread or cover pastry round with thin slice of jelly. Top each with hot glazed pineapple slice. Arrange a few around meat on platter as garnish; serve remaining separately. Makes about 8 servings.

Pastry Rounds: Resift 1 1/2 cups sifted flour and 1/4 teaspoon salt together into mixing bowl. Cut in 1/2 cup shortening. Add about 3 or 4 tablespoons cold milk, mixing just until dough holds together. Roll out dough on floured board as for

pie crust; cut into rounds about 3 1/2 inches diameter with fluted cutter. Prick rounds with tines of fork. Bake in very hot oven (475 degrees F.) until crisp and golden brown, about 6 to 8 minutes. Makes 8 rounds.

SWEET 'N SOUR PINEAPPLE GLAZE Crushed pineapple can be used for an interesting all-over texture, especially exotic with soy sauce, vinegar and sherry in this sweet-sour glaze. Decorate ham with flowers made of pineapple tidbits and cherries after glazing.

1 (1-pound 4 1/4-ounce) can crushed pineapple
1 cup brown sugar (packed)
2 tablespoons soy sauce
1/4 cup cider vinegar
1/2 cup sherry
2 teaspoons cornstarch
Combine all ingredients and simmer 5 minutes. Spoon small amount slowly over ham during last 45 minutes of baking. Makes about 3 cups glaze. Enough for large baked ham.

CREME BRULEE WITH PINEAPPLE The French have an especially good adaptation of a soft custard which they call "Creme Brulee." It is a rich custard crowned with a broiled brown sugar topping. It's delicious served over canned pineapple slices.

1 cup milk
1 cup half and half
2 slightly beaten eggs
1/4 cup sugar
Dash salt
1 teaspoon vanilla
3/4 cup brown sugar (packed)
Heat milk and half and half to scalding. Combine eggs, sugar and salt; gradually stir in hot mixture. Cook over low heat until mixture coats spoon, stirring constantly. Add vanilla. Cool. Pour into shallow baking dish. When custard is thick and set, place baking dish in a larger pan and surround with ice. Sprinkle with brown sugar. Broil until sugar is bubbly and melted. Chill until serving time. Serve over pineapple slices. Makes 6 servings.

Sugar Crumb Glaze: Mix 1 cup canned crushed pineapple, 1/2 cup brown sugar and 1/4 cup fresh soft bread crumbs. Apply to the ham about 20 minutes before the end of the cooking time, tasting frequently.

Pickled Pineapple: Drain a can of pineapple slices (8 or 10 slices to a can). To 2-3 cup of pineapple syrup add 2-3 cup cider vinegar, 1 cup sugar, dash of salt, 6 to 8 cloves and a 3-inch stick cinnamon. Simmer gently 10 minutes. Add pineapple, heat to boiling point. Cool and chill.

Serve Asparagus With a Flair

Serve asparagus with a flair. Cook it tender-crisp; arrange in serving dish and pour on one of these flavorful sauces.

Quick Hollandaise Sauce
3/4 cup real mayonnaise
1/4 cup milk
1/4 teaspoon salt
Dash white pepper
1 tablespoon lemon juice
1 teaspoon grated lemon rind
Blend mayonnaise, milk, salt and pepper in saucepan. Cook over very low heat, stirring constantly, until heated, about 3 minutes. Stir in lemon juice and rind. Serve over hot asparagus. Makes 1 1/4 cups.

Fluffy Hollandaise: Follow recipe for Quick Hollandaise Sauce, folding in 1/4 cup heavy cream, whipped, with lemon juice and rind.

Cheese Sauce
2 tablespoons margarine
1 tablespoon corn starch
1/4 teaspoon salt
1/4 teaspoon pepper
1 cup milk
1/4 cup finely shredded cheese
Melt margarine in saucepan. Blend in corn starch, salt and pepper. Remove from heat. Gradually add milk, mixing until smooth. Cook over medium heat, stirring constantly, until mixture thickens, comes to boil and boils 1 minute. Mix in cheese, stirring until cheese is melted. Serve over hot asparagus. Makes about 1 cup.

Here's Tempter For Breakfast

Cereal Ice Cream Bars capped with strawberries offer the eating enjoyment of a fancy afternoon refreshment — crisp yet creamy, tart-sweet yet mellow. Try it on morning breakfast skimpers, too, and see what a wake-up effect it will have! The combination is just different enough to appeal to rugged young appetites.

Ready-to-eat oat cereal, either regular or presweetened, is the crisp, nutlike cereal used in the recipe. It, like other breakfast cereals, is an economical source of food energy, protein, minerals, and the B vitamins. Ice cream has most of the elements of milk. Thus, with toast, you have the basis for a quick, adequate breakfast. While coffee is brewing, remove the easy, make-ahead bars from the freezer. On each serving spoon a generous amount of strawberries or other fruit sauce. Serve at once.

Cereal Ice Cream Bars with Fruit Sauce
1 pint vanilla ice cream
1 1/2 cups ready-to-eat oat cereal, regular or presweetened
1 package (10 ounce) frozen strawberries, raspberries, or sliced peaches, defrosted

Cut ice cream into 4 even slices. Press cereal onto both sides of each of the slices. Serve with the fruit desired. Yield: 4 servings.

Try Chef's Salad

A welcome change from the usual meat dish is a main course consisting of a hearty salad. Make a Chef's Special Salad with delicious flavor that comes from crushed cheese-flavored crackers. You'll also need chichory, escarole, Boston lettuce, tomatoes and garlic. Splash on a white wine and oil dressing, and toss. Serve with a plate of crackers and an iced beverage. Here's how:

Special Chef's Salad
1 cup coarsely broken Sunshin Cheez-It Crackers
1 egg
1/2 cup salad oil
3 tablespoons white wine vinegar
1/2 teaspoon salt
Break crackers and set aside. Beat egg well and mix with oil, vinegar, salt and pepper; set aside. Wash greens and dry well, discarding any bad leaves and heavy spines. Cut tomatoes into quarters, discard stem ends and seeds. Cut remaining tomato shells into slivers. Rub large bowl with garlic. Sprinkle with tomato slivers and broken crackers. Shake dressing well and pour over salad. Toss until greens are well covered with dressing. Yield: 6 servings.

Raisins Are "The Sugar" Of Cooking in the Orient

If curry powder is the "salt" of the Orient, raisins are the "sugar." Years ago in Malaya each condiment for a curry was served separately by a boy dressed in his native garb wearing immaculate white gloves. Whether a two boy curry or twenty, plump sweet raisins have always been a complement and thus, a necessary condiment with curry.

This seven boy raisin beef curry is self-explanatory, with the sweet fruit incorporated in the curry. The "boys" are pineapple tidbits, chutney, sliced green onions, bacon bits, flaked coconut and slivered almonds. This is festive fare and most appropriate for the hostess who has to hale a cab after work to make it to her own party. Literally everything can be done the night before, with the curry gaining in reheating.

An especially exotic way to order your bacon and eggs — Bombay raisin curried eggs. An excellent bet for brunch. The neatly quartered eggs are propped up in a heavenly rich sauce of cream and chicken broth fragrant with raisins, apple and lemon. Serve the curry English style over crisp English muffins and Canadian bacon.

For curry of a different form and flavor we suggest these raisin curry crescents in rich pastry. Make them in miniature for hot hors d'oeuvres or man size for a lunch box sandwich. The ground cooked ham, raisins and chutney make a beautiful base for curry.

SEVEN BOY RAISIN BEEF CURRY

... this curry is very much like a beef stew, simmered slowly with vegetables, and brightly flavored at the end with curry and raisins.

1½ pounds lean beef stew meat
3 cups boiling water
1½ teaspoons salt
4 tablespoons butter or margarine
½ cup chopped onion
1 cup sliced celery
5 tablespoons flour
1 teaspoon curry powder
1-3 cup California raisins
Hot cooked rice
Condiments

Cook beef in boiling water with salt 1½ to 2 hours or until meat is very tender. Melt butter, add onion and celery, cover and cook slowly 10 minutes. Blend in flour and curry powder. Add 2½ cups broth from meat (add water if necessary, to make this amount) and raisins; cook and stir until thickened. Cut meat into bite sized chunks, add to curry and heat thoroughly. Serve on hot cooked rice. Accompany with condiments. Makes 4 to 5 servings.

CONDIMENTS: Set out dishes of dark seedless raisins, pineapple tidbits, chutney, sliced green onions, bacon bits, flaked coconut and slivered almonds.

BOMBAY RAISIN CURRIED EGGS

... hard cooked eggs stand to attention in a rich cream sauce made with chicken broth and fragrant with raisins, apples and lemon peel. Serve the curry over English muffins and Canadian bacon.

1-3 cup butter
2 teaspoons curry powder
¼ teaspoon ginger
½ teaspoon salt
¼ teaspoon garlic salt
¼ cup finely chopped onion
1 cup California raisins
2-3 cup sifted flour
2 cups chicken broth
2 cups half and half
2 teaspoons lemon juice
¼ teaspoon grated lemon peel
1 peeled and diced tart apple
10 hard cooked eggs
8 cooked slices Canadian bacon
4 English muffins

Heat together butter, curry powder, ginger, salt and garlic salt until bubbly. Add onion; cook until wilted. Add raisins. Blend in flour, then chicken broth and half and half. Cook, stirring until mixture is thickened. Simmer a few minutes. Stir in lemon juice, peel and apple. Turn into casserole or skillet. Cut cross in top of 8 eggs. Cut a lice from bottom of each; place upright in sauce. Chop remaining 2 eggs and sprinkle in ring around outside edge. To serve, place slice of Canadian bacon on a toasted English muffin half. Spoon egg and sauce over all. Makes 8 servings.

RAISIN CURRY CRESCENTS

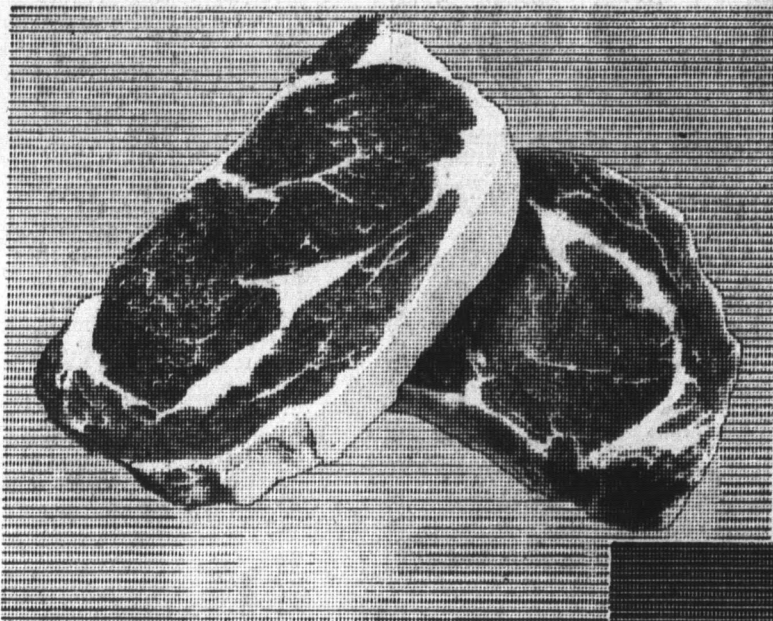

... a wonderful way to use the end of the ham; ground and mixed with raisins, chutney and mayonnaise as a pastry filling.
1 cup California raisins
1½ cups ground cooked ham
½ cup chopped chutney
3 tablespoons mayonnaise
2 sticks pastry mix

1 teaspoon curry powder
¼ cup boiling water
Melted butter
Combine raisins, ham, chutney and mayonnaise. Mix crumbled pastry and curry powder. Add boiling water; stir with fork until dough cleans bowl. Roll pastry very thin; cut 2-inch

rounds. Top each round with teaspoonful raisin filling; moisten edges with water and fold over to crescent shape. Arrange on baking sheet; slash or prick tops with fork. Brush with melted butter. Bake in very hot oven (450 degrees F.) 10 to 15 minutes. Makes about 5 dozen.

Try Frozen Cheese Pizza

It's a frozen treat all the way. Start with a frozen cheese pizza, seasoned for satisfaction by a chef, and top it with frozen, deveined shrimp. Bake it as the package directs... and this is a mere ten minutes.

GULF COAST PIZZA
1 1/2 cups frozen deveined shrimp
1-3 cup ripe olives, sliced
1/4 cup canned sliced mushrooms
1 (12 1/2 oz.) Frozen Cheese Pizza
Preheat oven to 500 degrees F. Pour boiling water over shrimp and drain immediately. Arrange shrimp on top of frozen pizza. Add olives and mushrooms. Bake for 12 minutes. Makes 4-6 servings.

FISH STICK PIZZA
3 frozen fish sticks
1 (12 1/2 oz.) frozen Cheese Pizza
Preheat oven to 500 degrees F. Cut frozen fish sticks in thirds crosswise and in thirds again lengthwise to give 9 bite-size pieces from each fish stick. Arrange cut pieces on top of frozen pizza and bake for 8-10 minutes. Makes 4-6 servings.

Fries and Lamb Kabobs for Change

Spring fever may bring on adishes of winter are discarded lazy spell in some people, but for new and untied treats, homemakers seem to tackle new jobs with uncontrollable energy when bitten by the bug of nice weather. In fact, spring-time always gives homemakers a yen for change — in menus, furniture arrangements or wardrobe.

It's a time when the favored fries that go from freezer to table in short order—with no peeling, paring or slicing needed. Because they are so popular in our home, we generally buy the largest package we can find. After using what is needed for a meal, we reseal the package for a frosty though never very lengthy stay in the freezer.

Like all frozen vegetables, frozen fries should be kept frozen till just before heating and serving. Quality is greatly impaired when these items are allowed to thaw before use.

While the fries are crisping, you'll have time to broil the kabobs that have been marinated in a zesty sauce for several hours. This sauce can be used to brush on the meat, peppers and onions as they broil, too—and oh, what a taste! Canned green beans and a tossed fruit-and-greens salad will complete this springtime meal, destined to satisfy your change-of-pace mood.

PEPPERED LAMB KABOBS
2 pounds boneless lamb shoulder, cut in cubes
12 mild cherry peppers
1 medium onion, cut in sixths
1 lemon, sliced
1/2 cup cherry pepper liquid
1/4 cup California white wine
1/4 cup salad oil
1 clove garlic, mashed
1 tablespoon curry powder
1 1/2 teaspoons salt

1 2-pound package frozen French fries

Place meat in a shallow dish with the peppers and onion; lay lemon slices over meat. Combine pepper liquid, wine, oil and seasonings; pour over meat. Let meat marinate for several hours. String kabobs on skewers placing a pepper, lemon slice or piece of onion between every one or two pieces of meat. Broil 15 to 20 minutes, turning and brushing with marinade as they cook. Cook French fries as directed on package and serve with kabobs. Makes 6 to 8 servings.

Delightful Version Of Old Favorite

A delightful version of an old favorite—and not overly sweet. **Split Pea Soup with Croutons**

Chef's Salad Bowl
Bread Tray
Pineapple Chiffon
Upside-down Cake
PINEAPPLE CHIFFON UPSIDE-DOWN CAKE
1 tablespoon butter or margarine
2 tablespoons light brown sugar
2 tablespoons dark corn syrup
6 small pineapple rings (from a 1 pound, 4-ounce can)
3/4 cup sifted cake flour
1-3 cup sugar
1 teaspoon baking powder
1/4 teaspoon salt
3 tablespoons corn oil
2 large eggs, separated
1/4 cup water
1/2 teaspoon vanilla
1/4 teaspoon cream of tartar

Preheat oven to slow (325 degrees). Melt butter in an 8 by 8 by 2-inch cake pan in the oven; remove and stir in brown sugar and corn syrup; spread evenly. Arrange drained pineapple slices in 2 rows over mixture. Bake in preheated oven for 15 minutes; remove and reserve. Sift together the flour, sugar, baking powder and salt. Make a well in center and add corn oil, egg yolks, water and vanilla; with a spoon, beat until smooth. Beat egg whites and cream of tartar until mixture forms very stiff straight peaks when beater is slowly withdrawn. Gently fold batter into egg whites so no blobs of white show. Carefully pour over pineapple. Bake in preheated oven until cake springs back when lightly touched with finger about 45 minutes. At once invert cake onto serving plate. Serve warm or cold.

A fine 12 by 18 inch state flag, made of top quality cotton, with durable stitched heading and brass grommets...EXCLUSIVE! Our flag is the pride of our state. Fly it with Old Glory on every national holiday. We make it possible with this BONUS offer.

EACH *flag kit* CONTAINS

- +A 3x5 Foot U.S. Flag of Extra Heavy Cotton with Double Stitched Stripes, Colorfast!
- +A 6-Foot, 2-piece Brass Jointed Staff
- +Heavy Metal Window Socket and Screws
- +Gilded Top Decoration, Cord Halyard
- +Flag Etiquette Folder with Flag History
- +Self Storage Kit...Rigging Instructions

America will never lose the Spirit of Freedom. Our people will never grow soft and complacent. The Spirit of '76 still lives in our hearts today as fresh as it was 189 years ago. This paper believes that failure to fly the flags on homes on national holidays is due more to lack of opportunity than to lack of patriotism. That's why we make these fine Flag kits available to our readers at cost as a public service.

Remember, there are more than 20 national holidays on which our flag should be flown. Among the most important are Armed Forces Day, Decoration Day, Flag Day and Independence Day, all of which are near.

Won't you show the colors...every American's way of telling the whole world that the land of the free stands united 50-Stars strong from Maine to Hawaii? Join our flags for freedom crusade now. Come in or send in for your flag kit and the bonus offered exclusively to our readers.

A Bevy of Beauties Vies for Miss Pacific

COMELY CONTENTERS for title of Miss Pacifica are (left to right) Linda Leslie, Cathy Henkel, Candy Troy, Ann Eggen, Evette Puderer, Antoinette Marie Kavvadias, Lisa Raczkowski and Betty Myers. Winner of the pageant May 21 at Terra Nova High School will go on to the Miss Dream Girl contest at the

San Mateo County Fiesta. Misses Troy, Leslie, Raczkowski, Puderer and Eggen are students at Terra Nova High School. Miss Kavvadias attends Oceana High. Miss Myers works at a drug store, Miss Henkel is a doughnut shop employee.

JUHSD Officials Question Ads in High School Papers

A subsidy of up to \$750 for publishing costs of school newspapers was recommended in a Student Body Finance Study Report for the Jefferson Union High School District.

Trustee Raymond Milton, questioned the increased figure (from \$500) at Monday's Jefferson High School District meeting, and suggested that the time had come to re-evaluate the district's policy about using advertising in school papers. None of the newspapers of the four high schools uses advertising at present.

"The teen-age market is a very lucrative one for advertisers," Milton stated. "Many companies deal specifically with students."

Milton showed other trustees a San Francisco High School newspaper. The advertisements were all geared to students: books, records, typewriter rent-

als, stationery items, teen-age fashions.

"I would like to see advertising allowed if it were in the area served by the school," Milton continued, "and if it had appeal to students. Getting the ads might be a good life experience for the student—even to being turned down."

Superintendent Edward Morgan said that there has been no district rule against advertisements, just an "informal agreement."

Trustee James Cooper brought out the difficulties that might be encountered in obtaining contacts since many of the advertising offices, he said, are in San Francisco. He also mentioned the danger of overlap in ads.

Morgan promised to "get some feelings" on the subject and continue the discussion at the next board meeting.

'Cancer Week' Is Proclaimed

The mayor of Daly City, Francis Pacelli, has proclaimed the week of March 27 to April 2 Easter Seal Week.

The mayor urges all residents of the city to support the Easter Seal Drive which provides direct aid to the crippled children and adults of the county.

The drive will continue to April 10.

D.C. Seeks Inspector

The Personnel Department of the City of Daly City has announced that the position of construction inspector is open and that applications are being taken.

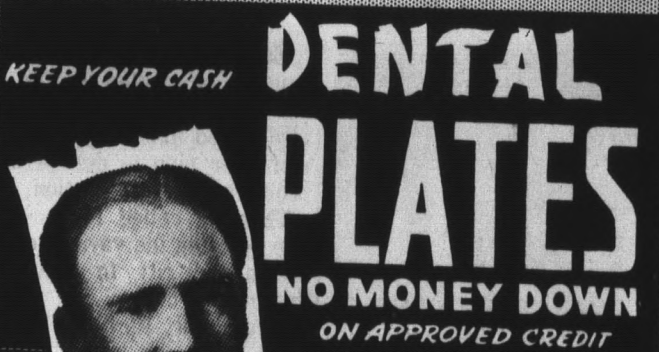

The job will be a temporary position with a one-year contract. Salary will be \$850 per month.

Applicants must apply before March 31.

"DENTAL HEALTH FACTS"

The Cause of Cavities—
The cause of cavities is not known, but most dentists agree sugar is considered as one of the possible factors. This is not the whole answer, but it is important to remember that if we are going to face facts, we may have to limit the sugar in our diet for the sake of our teeth. The problem is a great one. Among sugar containing items are many of the fruits, fruit juices, and vegetables. Even skimmed milk contains about 5% sugar. The list is almost endless, and includes such things as cookies, candies, soft drinks, pies, cakes, ice cream, jams, jellies, etc. Ask your dentist about the amount of sugar permissible for the health of your teeth.

Dr. Campbell limits his practice to the making of dental plates, partial plates, removable bridges and extractions for some; however, he recommends that you see your dentist at least twice a year in order to help prolong the use of your natural teeth as even the beautiful modern dentures are not as efficient as healthy, natural teeth.

Contract Is Awarded For Outfall Work

The North San Mateo County Sanitation District Monday awarded a contract for an outfall sewer and collection system improvement in the Westlake area of Daly City.

Baldwin - Warren Company, Inc., of San Francisco, was the low bidder with a bid of \$35,500.

The work will involve the area immediately adjacent to the district's main treatment plant near Lake Merced Boulevard and adjacent to Fernando Rivera School.

In other business, the district board:

Awarded a labor contract to Frederick Ferrando and Company of Daly City for a low bid of \$2,100 for a shaping digester.

Discussed an agreement with San Francisco for the piping of sewage in the Crocker-Hill area of Daly City no action was taken.

Held over a controversial proposal to turn off water to operators of Daly City laundrettes who fail to pay their bills. Reason for the postponement, a spokesman said, was that officials need time to discuss the proposal with the city.

Sanitation Manager Is An Author

North San Mateo County Sanitation District Engineer-Manager Robert Bernicchi is becoming as well known for his writing ability as he is for his handling of North County sewage problems.

Bernicchi, who has had articles printed in national magazines in the past, has another work in print this month.

His new article, "What Price Odor Control," appears in this month's issue of Water and Waste Engineering, a journal for engineers interested in the field of water resources.

The article deals with Bernicchi's and the district board's solving of the odor problem in their treatment plant on Lake Merced Boulevard in Daly City.

The plant is in a residential area and the problem of odor is a key one.

As Bernicchi put it, "the situation is unique."

The district engineer-manager will speak at the State Water Pollution Federation Convention next month in Monterey.

His topic will be, as expected, "Odor in a Residential Area."

CARDS FROM COUNCIL
Transit Survey
In Full Swing

More than 16,000 Daly City families will find double-post cards in the mailbox today, asking about their transportation needs.

"Your City Council is conducting a survey to determine how many people would use an expanded and improved bus system," the cards say.

The expanded system; residents are told, "would connect with the proposed Rapid Transit station at Knowles Avenue and Junipero Serra Boulevard, as well as certain of the San Francisco bus lines."

A detachable portion of the card provides spaces for simple yes or no answers to three questions; it is to be filled out and returned to the city, postage free, by simply dropping it in a mailbox.

In order to help determine the need for future bus service, householders are asked whether they presently use a bus regularly.

The second question is designed to determine if citizens would utilize a service which came within three blocks of their home on a regular schedule.

Finally, the survey inquires how much residents would be willing to pay for such service. The results could prompt extension of San Francisco Municipal Railway routes in portions of Daly City, according to the city council.

The survey might also provide the basis for future improvements in local service, such as that provided by Northgate Transit Company.

In any case, the questionnaire is intended to gain a clear picture of the transit needs and trends of Daly City.

Officials said they hope the thousands of recipients of the cards will take the few moments necessary to check in their answers and place the cards in the mail.

Eligible persons over the age of 65 who do not sign at this time will be unable to sign until October of 1967.

Chamber Has Airport Plans

San Francisco International Airport — gigantic complex of government agencies, multi-million dollar airlines and countless service firms—is about to be adopted.

The prospective parent is the relatively tiny San Bruno Chamber of Commerce, which is promoting the fact that San Bruno is just "four minutes plus flying time" from any place in the world.

Floyd Demanes, chairman of the chamber's aviation committee told the organization's first general membership meeting last week that most Peninsula cities have had contact with airports only when noise or other problems arose.

On the other hand, he added, "we welcome the presence of the airport."

Noting the potential value of airport business to San Bruno, chamber manager Dick King told members that plans are under way to proclaim the week of May 15 "Aviation Appreciation Week" in the city.

Also present at last week's meeting was Larry Wise of the San Carlos planning consultant firm of Hahn, Wise and Associates.

Wise, whose company is making a \$20,000 study of San Bruno's downtown development, told chamber members he hopes to be ready to discuss concrete proposals with them "within 90 days."

The study, financed with federal and city funds, is probing such areas as parking, lighting, pedestrian flow, and appearance of stores in the business district in general, according to Wise.

The consultant said that his report will also include proposals to help merchants gain a larger share of retail business.

Daly City Fire Log

Here is a log of calls received by the Daly City Fire Department from March 12 through March 18:

MARCH 12
2:45 p.m.—10 Cliffside Drive, emergency call.

11:04 a.m.—107 East Molke, emergency call.
2:15 a.m.—334 Thiers, emergency call.
2:17 a.m.—97 Lake Wood, emergency call.
5:14 p.m.—Fernando Rivera School, emergency call.

JANICE HIGGINS
Award Winner

D.C. Student
Gets B.A.

\$200 Honor

A Daly City co-ed at the College of San Mateo has been selected as a winner of a Bank of America 1966 Junior Collete Business Award.

Chosen by a faculty committee, Janice Higgins of 854 Schwerin Street, received \$200 and a certificate, at a dinner, last Thursday, in San Francisco.

The award is presented to outstanding business students in recognition of their academic achievements and outside activities.

Dr. Julio L. Bortolazzo, president of the college, serves on the advisory committee for the bank's business awards program, which was begun in 1953.

Levy Quits
Race For
County Post

Robert Levy, Burlingame restaurant owner and member of the San Mateo Planning Commission, has withdrawn from the County Board of Supervisors' race, it was learned last week.

Levy, of 20 Panorama Court, Hillsborough, has announced that he would seek the seat recently vacated by Edward R. McDonald.

Business Deal
It was learned, however, that Levy expects to sign a contract to provide all of the catering service for Villa Hotel in San Mateo. If the contract goes through as expected, Levy will withdraw from the supervisory race.

A reliable source told The Times that, with the new contract, Levy will find it necessary to devote an increased amount of time to his business, which includes operation of Bob's on Broadway in Burlingame.

Reduce Field
With Levy's withdrawal, the list of candidates seeking the Second District supervisors' post, drops to four.

The post is now held by A.C. Harrison, who was appointed to the position by Gov. Edmund Brown following McDonald's resignation. Already filed for the post are Undersheriff Wesley A. Pomeroy, O. S. Simonds, Burlingame labor official, and Robert St. Clair, former Forty-nine football star and now a resident of Millbrae.

Challenger
Hits School
Merger Plan

Daly City Council candidates last week were given the opportunity for the second time in 24 hours to state their cases before the public, at a meeting of CITY (Committee Interaction Through You).

Both challengers and one of the incumbents made appearances. Del Wilson, one of the challengers, and the first speaker on the agenda, came out against school unification because "school districts should be the size of the individual cities."

Besides, he said, "builders of homes ought to help pay for the building of schools."

Wilson also asserted that when he was a councilman in 1957, he attended 64 county-level meetings, which was more than attended by all other councilmen put together.

Eugene Vinje, the other challenger, commented that he does not want large contributions. He also stated that Daly City needs a master plan to deal with the problem of transportation.

Then he called for co-operation between the various entities within the city to accomplish this master plan.

Incumbent Micheal De Bernardi made the longest appearance. The audience of about 50 questioned the councilman on a number of issues.

Dion Dubois, a teacher at Jefferson High School in Daly City, asked DeBernardi what he (incumbent) thought was the most pressing problem in Daly City.

DeBernardi replied that the most pressing problem is "redevelopment."

He was also asked about the formation of a human rights commission.

The incumbent said that he thought the matter "was taken care of by the Human Resources Commission."

The Rev. Howard Bryant, president of CITY, said that "there is a great deal of difference between the two organizations."

DeBernardi said that there is no need for a human rights commission now and that the City Council would be the place to come for dialogue.

Coast Boy
Is Injured

Robert Bullock, 16-year-old Terra Nova High School student of 859 Montezuma Drive, Pacifica, suffered a broken leg and broken thumb last week when his motorcycle crashed into the rear of a school bus at the school.

Highway Patrolman George Wallace said the bus, operated by Robert B. Fross, was in a loading zone at the rear of the school and was stopped when it was struck.

The boy told Wallace that some dust got in his eyes and "the next thing I knew, I was in an ambulance."

Lyle Ackerman, 16, of 1233 Lerida Way, Pacifica, who was riding tandem, was thrown off of the motorcycle but was not hurt.

D.C. Reports
Runaway Car

Daly City police reported that a car owned by Warner Hahea of 260 D Street in Colma rolled out of its parking place Sunday night and hit two cars and three palm trees on Pinehaven Drive.

The runaway auto struck glancing blows on cars owned by Henry Soldati of 65 Pinehaven and James Masterpole of 72 Pinehaven.

The vehicle then bounced into three palm trees in front of homes at 67, 65 and 95 Pinehaven.

Hilton Inn Announces Opening of New Units

BRYAN GORDON, general manager of the Airport's Hilton Inn, announced the completion, this week, of the Hilton Inn's new 110-room addition. Thus, bringing the total rooms available to 410, plus two luxurious one or two-bedroom suites.

The new addition was designed by the architectural firm of Ownings, Skidmore, and Merrill; constructed by Barnhart Construction Company of Santa Clara, and interior designs by Integrated Design Associates, Beverly Hills. Three additional meeting rooms, seating a total of 300 persons, divisible into eight smaller rooms through the versatility of pneumatic air walls, were provided to meet the extreme demand at this strategic airport location. Many of the spacious guest rooms consist of studio type furnishings for leisurely comfort, small meetings and social bon voyage gatherings. There are 48 sets of connecting rooms, many of which are double, doubles...

BARNEY'S CASINO, at the South Shore of Lake Tahoe, is only a "baby" among Nevada Casinos. But approaching its Sixth birthday, this fun spot has flourished under the guidance of Owner BARNEY O'MALLA. At Barney's, customers provide their own entertainment. The house policy of free coffee 24 hours, two coffee shops and restaurant, two bars plus all the games of chance, keep the customers busy and happy. Barney's success comes largely from a generous GREYHOUND BUS service refund, which operates the year around. Also, a courtesy bus service delivers you to and from the motel of your choice. This personalized type of service, plus an unusually friendly staff, is attracting countless fun seekers from all points... WINGY MANONE, now appearing in the Continental Theater of HOTEL THUNDERBIRD in Las Vegas, celebrated 40 years in show business last week. Appearing with the famed jazz trumpeter is songstress SUSAN MARO.

CHUCK HERSCHLER, Rector Cadillac-Oldsmobile traveling gourmet, had many words of praise for the King's Table, this weekend. "Don't let the price fool you," commented the smiling Chuck. "The food here rates tops with 'em all!" "And you have to pay attention when this 'kid' speaks—he and his lovely Virginia dine out at least four times a week... You are assured of perfection when taking your clients to luncheon or dinner at Dan Biagi and Rene Canabou's Cote D'Azur Continental restaurant in Atherton. You'll find an expertly trained staff of professional waiters ready to offer you personal and efficient service. Call Angelo Lazzari for your luncheon or dinner reservation today... Frank Denke, San Francisco's own popular piano personality, is now playing during cocktails (6 p.m. to midnight) Monday through Saturday in the Terrace Room of the St. Francis Hotel. Guests are invited to request their favorite classical music as well as popular ballads during cocktails in the Terrace Room.

GOURMET FOOD, CONNOISSEUR WINES, pleasant atmosphere and unrivaled service are the trademarks that have made LA HACIENDA INN in Los Gatos the magnificent establishment that it is today. Dynamic restaurateurs RENZO PIETROBON, DICK BOHN and CHARLIE MOROSIN are currently featuring on their brand new menu a vast selection of a la carte items which include varieties comparable to the top dining spots in San Francisco and on the Peninsula. The Santa Clara Valley welcomes a restaurant like the La Hacienda Inn, where, from appetizers to desserts, satisfaction is guaranteed... KAYE STEVENS, the screamingly funny redhead comedienne, has been convulsing super club patrons across the country with her hilarious and unpredictable potpourri of comedy, songs, music and just plain all-out madness, is the current attraction in the FAIRMONT HOTEL VENETIAN ROOM...

MORT SAHL, whose off-beat humor has won popularity throughout the world, will be the next featured performer on the San Jose City College Evening Cultural Series March 26 in the Men's Gymnasium at 8:30 p.m. According to some critics, no one has mastered the art of humorous social and political commentary better than Mort Sahl... Members of the California Dental Association dined at Ralph Oswald's swank Carrousel du Soleil restaurant at the Circle Star Theater in San Carlos, last night, and informed Maitre d' Antoine De Vos they enjoyed themselves so much that they will be back again next year. The California Bar Association meets here tonight. Emil Miller and his Band provide the background music for dinner-dancing every Tuesday through Saturday starting at 9 p.m.

'Cow and a Calf' For A Beverage Lunch

If you're the type who prefers to "drink your lunch," you might try "The Bull Shot" special the next time you're at Plateau 7 in San Jose. Consists of beef bouillon, vodka, celery salt, and a squeeze of lime. Head bartender Nick Krumpoltic calls the "special" "A cow and a calf" for a dollar and a half. Two of these and you're ready for the "pasture!"

Ringside Seats Go Fast Here

Jerry Abbott and his Playboys, currently playing at The Edgemar Club, is "A masterpiece of showmanship," according to Larry Shulman, bossman of the Pacifica nitespot. Featuring some of the world's foremost female impersonators, the Wednesday through Sunday shows are a "must see" along the coast. The smart ones get here early for the ringside seats, all the better to ogle the peepers. Shows start at 9:30 p.m. No cover or door charge.

More and more Peninsulars are dining at La Touraine, the delightful French restaurant in Burlingame. La Touraine now serves luncheon Tuesday through Friday and dinner Tuesday through Saturday. Closed Sunday and Monday.

A cocktail lounge, open Tuesday through Saturday, is an added attraction to the delicious food, at La Touraine.

No luncheon wait at the South San Francisco Bertolucci's when the dining room is filled to capacity. Larry and his sister, Lola, open up one of the banquet rooms to expedite service. Incidentally, Bertolucci's is a big favorite with banquet planners.

Sexy Anita Vasquez, Sinaloa's cute, new "shaker," covers the dance floor during show time like Willie Mays covering center field for the Giants.

Don Kelly's Tunes
At Pacifica Nick's
A scenic drive to Pacifica wouldn't be complete without a stop-off at Nick's for dinner and entertainment. Don Kelly's tunes at the organ bar are plenty cause for hand-holding around the fireplace cocktail lounge. Besides that, a picture-window view of the Pacific ocean is a tranquilizing tonic for relaxed dining.
A walk across the street to the Turtle (another Nick's enterprise) will top off the fun program with dancing, late snack, or cocktails.

Red Carpet Due For Scotty Campbell's

If, and when, Scotty Campbell visits his former Redwood City restaurant, he'll be in for a very pleasant surprise. In a week, or so, Theresa, Mary Lou and Bud will have a plush new, red wall-to-wall carpet for their guests to "glide" their tootsies over. This is a definite "first" for Scotty Campbell's, the dinner house specializing in prime rib and steak as you like it.

Did you know that during World War II George Mardikian, owner of the world famed Omar Khayyam's restaurant in San Francisco, was food consultant to the U.S.? Mr. Mardikian has been a White House dinner guest on numerous occasions.

SPECIAL OCCASIONS

can be the link between you and a festive evening at Hyatt House Burlingame. For birthdays, weddings, anniversaries, any special celebration—this is the setting for happy memories. Gourmet food and fine entertainment are part of the luxury you enjoy at every Hyatt House hotel. Ideal for banquets and meetings, too.

Special Attraction: Bob Wellman and his Orchestra in the magnificent Scheherazade Room.

Gourmet Table
Grand Opening
A large crowd of notables were on hand at the Gourmet Table last weekend to help toast owners Don and Jeanne Koblick during the three-day grand opening celebration of their popular "All you can eat" gourmet restaurant.
Managed by Pete Harris, the Gourmet Table is open seven days a week serving delicious inexpensive luncheons and dinners; cocktails in the new "Lantern Lounge" nightly.

JEFF ELEMENTARY

Summer School
To Draw 3000

A revised and expanded summer school program is expected to attract some 3,000 students, trustees of the Jefferson Elementary School District have been told.

The district did not conduct a summer school session last year because of budgetary limitations. The previous year, about 2,000 students enrolled in the summer program.

Dr. Vinton Stratton, assistant superintendent of the district, told trustees that this year's summer program would be expanded to a five-week schedule.

Previous programs had run four weeks.

Another change, Dr. Stratton said, would be in the number of hours students would be required to attend each day.

In previous years, students had to enroll for an entire morning of classes.

This year, Stratton explained, students would have the option of attending one, two, three or four hours of each day's four-hour session.

Summer school would be taught from 8:30 a.m. to 12:30 p.m. The session would begin June 27 and end July 29.

Stratton said four divisions have been proposed for the school: remedial, corrective, interest and ability. He described the divisions this way:

Remedial—open to grades 2-7; average class size, would be 15 students. Subjects would include reading, arithmetic, physical education and language speech clinic. Students falling a year or two behind in their studies would be eligible.

Corrective—open to grades 1-7; average class size would be 20. Subjects would include reading, arithmetic and languages. Children up to a year behind in their work would be eligible.

Interest—open to grades 1-7; average class size would be 20. Subjects would include art appreciation, drama, geography, language arts, mathematics, general music and general science.

Ability—open to grades 1-7; average class size would be 25. Subjects would include science and language workshops and instrumental music.

Stratton suggested that a fifth area be developed for educationally retarded students.

The remedial, corrective and ability divisions would be open to students on an invitational basis, he said, based upon the recommendations of teachers and principals.

Teachers each would be paid \$625 for the school session. Stratton said that because of "the immense job of sched-

ing" teachers and students he hoped the district would be able to utilize data processing in this job.

The summer school program will be put into final form by the district administration and submitted to trustees for approval.

Chamber To
Meet in SSF

The South San Francisco Chamber of Commerce will meet tomorrow night at 6:30 at Bertolucci's restaurant.

Speaker will be John Abbe, recently appointed manager of the State Department of Employment's South San Francisco office.

Abbe's subject will be new and pending legislation on unemployment insurance.

A question and answer period will follow.

Members may phone the chamber office for reservations.

Two-Week Voter Drive Will
Open in Daly City April 2

An intensive voter registration drive will be conducted in Daly City from April 2 to 14 by a group of citizens interested in promoting a large voter turnout for the local county and primary elections this year.

Mayor Francis Pacelli has announced he will proclaim the April 2-14 period as voter registration weeks in Daly City.

The mayor is scheduled to sign the declaration at a meeting of the city council Monday night.

Representatives of Boy Scout and Girl Scout groups and Jefferson and Westmoor High School student organizations will be invited to attend the meeting.

The citizens' group has enlisted the support of the youth groups in conducting a door-to-door drive April 2 for voter registration.

Chairmen in charge of registration are: Mrs. Patsy Drain, Republicans; Mrs. Margaret Becker, Mrs. Emile Tenud and

Honor D.C. Man

Larry Blake, 88 Park Manor Drive, Daly City, has achieved Second Honors on the Dean's List at the Berklee School of Music, Boston, Massachusetts. The honors are for Fall, 1965 semester, according to an announcement from the school.

Mrs. Albert Brawley, Democrats and Mrs. Esther Eller, League of Women Voters.

After the door-to-door drive, volunteers will man voter registration desks in Daly City supermarkets.

Nightclub for Teen-agers
Is Opened at Oddstad Hall

The Tiki Hut, a new teen-age night club in Pacifica, has opened.

The club is sponsored by the Park, Beach and Recreation Department and is located in Oddstad Hall at Crespi and Barcelona Streets in the Linda Mar area. Participants are high school age students in Pacifica.

Virginia Silva, recreation director, described the club as a co-operative venture with much of the discipline, planning, and for dances.

decorating provided by Pacifica Teen Club members.

Representatives of both Terra Nova and Oceana High Schools, she said, make up the Pacifica Teen Council, which is in charge of dances and recreation use of the hall.

The balcony of the main room at Oddstad is set up as a permanent club, done in Polynesian style with chairs, table and snack bar. A hall below is used for dances.

Daly City
Demos Hear
Candidates

The Daly City-Colma Democratic Club gave candidates for the Daly City Council a chance to air their views Wednesday night at a meeting at Garden Village School.

All three incumbents and the two challengers attended the meeting.

After each candidate made a brief statement, the meeting was opened to questions from the floor to be answered by the contenders.

Probably the most startling statement of the evening came from former councilman Del Wilson, who declared, "There are many men and women in the city of Daly City who are more qualified than myself or the incumbents."

But, he said, they did not step forward for a variety of reasons, among them just plain apathy.

Incumbent Councilman Edward Dennis told the audience that he has seen many changes in his 16 years on the council and that he is proud of the present council and the commissions it has appointed to assist it.

"I'm for progress," Dennis added.

Challenger Eugene Vinje told the audience, "We need some action" in the areas of transportation, a master plan, and inter-governmental co-operation.

"I'm not a professional politician," Vinje added, "I believe a council should be a cross section of the community it represents."

Councilman Bernard Lycett spoke of the growth of Daly City, and told the club he hoped for its support in the continuing job in the council.

Incumbent Michael DeBernardi, a 12-year veteran on the council, pointed to his membership in such regional groups as the West Bay Rapid Transit District, and declared he would let his record speak for itself.

Community Education Goals Aired

What does Pacifica want and need in the way of community education?

A representative group of 21 Pacificans met at luncheon with Dr. William Miller, community co-ordinator of education from San Mateo College, to help answer that question.

The meeting, held at Nick's Restaurant in Rockaway Beach, was organized by Mrs. Frances Power, who heads Pacificans for Human Concern.

Among those attending were representatives from the libraries, schools, city offices, improvement associations, culture room committee, Friends of the Library, Los Pacificans, Pacifica Association for the Performing Arts, American Association of University Women, Unitarian Fellowship, and Pacificans for Human Concern.

"The first qualifying factor for an education program in a community is interest," Dr. Miller stated. "We have to work with community groups such as yours in the battle against indifference, apathy, and death."

"Because, for the masses, there is the danger of spiritual and intellectual death."

Miller said that he was committed to the battle against indifference. "All things become possible when human beings work together."

"We can't lose," he added, "unless we turn our backs and return to the television set and forget about our dream of a community. Each one of us has the vision of becoming involved in an awakening process."

"When Mrs. Power telephoned," Dr. Miller said, "I was sitting across the hill waiting for this call."

Miller described the present community programs at the College of San Mateo and asked for ideas and suggestions from the audience.

He said he was completely open to take a risk on any type of program—lectures, courses, music and drama. He cautioned against education only for "credits, jobs, making money."

The least expensive program, Miller said, would be one that used the present instructors from the university. Big names would have to be paid over \$500 a lecture. "To break even," he said, "we would then have to have audiences of 500 and 600."

The availability of the Library Culture Room was discussed for use of programs. Karl Baldwin, Pacifica city manager, suggested a workshop be formed to meet in two weeks and come up with some positive suggestions for Dr. Miller's use.

March 23 at noon in the Culture Room of the Sharp Park Library was set up as a workshop-meeting for those in attendance and any other interested residents of the community.

In the interim, those attending the meeting promised Dr. Miller that they would each survey 20 people in the community for program ideas.

Suggestions by residents can also be turned in to the Pacifica libraries or any of the organizations represented, Mrs. Power added.

Benefit Game Program Set

A benefit game program will be conducted by the Pacifica Navy Mothers Club at 8 p.m. Friday, in the American Legion Hall in Rockaway Beach.

Proceeds will be used for club welfare projects. Admission will be \$1 per person.

The club meets the second Thursday of each month, at the First National Bank in the Eureka Square Shopping center in Pacifica.

Sr. Group Sees Drama, 'The Rivals'

The National Repertory Theatre's presentation of "The Rivals" was viewed by the members of Mrs. Lois McNabb's senior enriched English classes at Westmoor High School.

"The Rivals" takes place in the English resort town of Bath in the latter part of the eighteenth century. The play, a light comedy about man, has received mixed reviews from critics.

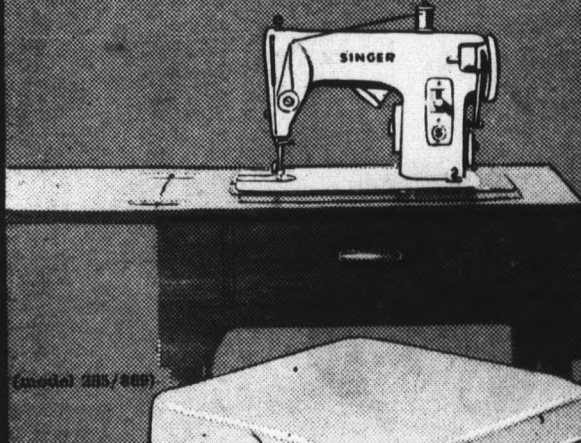

The students enjoyed the play but indicated displeasure with the lack of depth or plot which the play displayed. Most of the playgoers were impressed by the casting and characterization of each character.

After the play, the director and the cast met with the students of Westmoor and other schools to discuss the plot, characterization and directing of "The Rivals."

The students enjoyed the play but indicated displeasure with the lack of depth or plot which the play displayed. Most of the playgoers were impressed by the casting and characterization of each character.

THEFT REPORTED

Mildred Cabrol of 245 Wilshire Avenue, Daly City, reported to police last week that a sleeping bag, two pillows, a gear shift knob and sunglasses had been stolen from her auto.
